SUBARTICLE 9-5.1 is deleted and the following substituted:

ARTICLE 9-8 is deleted and the following substituted:

**9-8 Acceptance and Final Payment.**

Submit a completed Contractor's Affidavit and Surety Consent (Form 21-A) (Department Form Number 700-050-21) to the Department within 90 days of submittal of the final invoice. Failure to submit this form may result in a determination of Contractor Non-Responsibility under the provisions of 14-22.0141, F.A.C., and the Contractor will be prohibited from bidding, subcontracting, or acting as a material supplier on any Department contracts.

ARTICLE 9-9 is expanded by the following:

Section 215.422(5), Florida Statutes, requires the Department to include a statement of vendor (Contractor) rights. Contractors are hereby advised of the following:

Contractors providing goods and services to an agency should be aware of the following time frames: Upon receipt, an agency has five working days to inspect and approve the goods and services, unless the bid specifications, purchase order or Contract specifies otherwise. An agency has 20 days to deliver a request for payment (voucher) to the Department of Financial Services. The 20 days are measured from the latter of the date the invoice is received or the goods or services are received, inspected and approved, by the Department of Transportation.

If a payment is not made within 40 days, a separate interest penalty at the rate established pursuant to Section 55.03(1), Florida Statutes will be due and payable in addition to the invoice amount, to the Contractor. The interest penalty provision applies after a 35-day time period to health care providers, as defined by rule. Interest penalties of less than one dollar will not be enforced unless the Contractor requests payment. Invoices which have to be returned to a Contractor because of Contractor preparation errors will result in a delay in

the payment. The invoice payment requirements do not start until a properly completed invoice is provided to the Department.

A Vendor Ombudsman has been established within the Department of Financial Services. The duties of this individual include acting as an advocate for Contractors who may be experiencing problems in obtaining timely payment(s) from a state agency. The Vendor Ombudsman may be contacted by calling the Bureau of Accounting at (850) 413-5516.
