**Description:**

The work specified in this Lump Sum Performance-based Contract consists of performing inspection, management, and maintenance of all components of the traffic signal systems and devices as identified in this scope and the Appendix. All maintenance activities that Local Maintaining Agencies formerly performed within the limits of this contract are now to be performed by the Contractor. The length of the contract is 3 years with an option for one 3-year renewal term.

Experience in Traffic Signal Repair Form 850-070-07 is required to be submitted with the bid.
