Description:

The Improvements under this Work Document-Driven contract consists of cleaning and reshaping outfall ditches for the state roadway system within Jackson & Washington Counties. Specific locations will be provided on each work document. This work includes removal and disposal of fallen trees, woody vegetation, overhanging limbs, and other debris located within the outfall ditch areas to maintain maximum drainage function. The ditch width specified in the pay item(s) shall include the ditch bottom width and side slopes. Access to ditches may be limited, therefore, plan to perform all necessary work from within the limits of the ditch. If right of entry is required, the contractor is responsible for obtaining permission from the landowner and restoring the property to original condition at no cost to the Department. Maintenance of Traffic, Mobilization, and Erosion Control is incidental to the pay items listed.

This contract has a budgetary ceiling of \$200,000.00.
