Description:

The work under this Site-Specific, Work Document-driven Contract in Leon County, consists of mowing to reclaim and maintain vegetated canal banks and bottoms in conjunction with the pickup, removal, and disposal of litter and debris. Access to these areas may require specialized equipment and supplemental hand labor due to steep slopes, wet conditions, and areas where the canal shoulders are not traversable by standard mowing equipment. Locations and Work Document schedules are detailed in the Appendices. Mobilization and Maintenance of Traffic are incidental to the pay items listed.
