**Description:**

The improvements under this Work Document-driven, site-specific Contract consist of routine landscape maintenance at two (2) locations along SR 8 (Interstate 10) in Leon County; one at Interchange 196 (SR 263, Capital Circle Northwest) and the other at Interchange 199 (SR 63/US 27). Work activities include but are not limited to bi-weekly mowing on shoulders, pond bottoms, slopes, and manual weed removal in mulched areas; monthly manual weed control on steep slopes to remove weeds and brush; bi-weekly removal of litter and fallen limbs from all unpaved surfaces within the right of way; tree and palm pruning, and placing mulch as directed. Work activities and locations will be specified by Work Document. Maintenance of Traffic and Mobilization are incidental to the pay items listed.
