Description:

The purpose of this Contract is to provide Cut and Toss Operations pursuant to a Governors and/or Presidential Declaration of a State Emergency. This Contract includes 16 counties within District Three. The Contractor shall perform Cut and Toss Operations pursuant to the terms of this Contract and at the direction of the Department within District Three. District boundaries are as described on the Agency Resources Website at the following URL:
<http://www.fdot.gov/agencyresources/districts/>

No quantities are guaranteed and there will be no unit cost adjustment for quantities required over or under the estimated quantities.

The Contractor shall provide all labor, material, and equipment required to complete the work described in this Contract, including any necessary Temporary Traffic Control ("TTC"), Mobilization, and Demobilization costs. Activities include, but are not limited to, field operations (day and/or night) and emergency roadway clearance. All Cut and Toss Operations shall be in accordance with all applicable federal, state, and local laws and regulations.
All Cut and Toss Operations performed under this Contract shall be in accordance with the Florida Department of Transportation Standard Specifications for Road and Bridge Construction, any Specifications detailed in this scope and Standard Plans.

The Contractor shall at all times have a minimum of 25 Cut and Toss Crews, and 4 Heavy Equipment Crews, available for pre-positioning and/or reporting directly to work sites. The minimum number of Cut and Toss and Heavy Equipment Crews required and activated must remain available until officially released, in writing, by the Department.

The Contractor shall not perform work on any road unless authorized by the Department. Roadways will be assigned to the Contractor and corresponding limits provided for which the Contractor will be responsible. Roadway segments may be unassigned by the Department, which shall be at no cost to the Department. Due to the nature of the event, Department priorities may change, and the Contractor may be directed to alter assigned tasks. The Contractor shall alter routes at the direction of the Department and/or authorized representative.

The Department, at its sole discretion and at any time, may elect to perform work with in-house forces or additional contract forces.

The Contractor shall provide a letter to the Department at the time of bid, from a surety authorized to do business in the State of Florida verifying the Contractor is bondable in the State of Florida. For the purposes of this Contract the dollar amount is established at \$1,000,000.00.
