FINANCIAL ITEM NUMBER: 42215127229
CONTRACT NUMBER: E3Z75-R0

DESCRIPTION: The work under this Work Document Driven Contract consists of removal, replacement, and repair of signs, sign structures and delineators, cleaning ground mounted and overhead sign panels along various primary arterial and interstate roadways in Gadsden and Leon Counties. The Budget Estimate for this project is \$200,000.00.

BIDS TO BE RECEIVED: Thursday, September 10, 2026

If you are a PROPOSAL HOLDER, this is your authorization to make the following changes to the plans and specification packages you now have for the subject project:

- The quantities shown on the Bid Price Proposal are approximate and only represent estimated planned requirements based on historical or specific project needs. The Department does not guarantee any maximum or minimum quantity, any range of quantities, or the exact quantities shown for each bid item. The Department estimated quantities and the Contractors bid price will be used to calculate a total bid amount. This total bid amount will then be used to determine the low bidder, however, actual payment under the awarded contract will be based on actual quantities completed. For this Contract in which specific sites are not identified at the time of letting, the Engineer will issue a Work Document. Work Documents will identify the location, description, amount of work to be accomplished, and the number of calendar days to complete the work.

Please use this revision when preparing your bid.

Electronic Bids will be received until 10:00 a.m. local time on September 10, 2026, in the District Three Procurement Services Office, Administration Building, 1074 Highway 90, Chipley, Florida.
