Description:

The purpose of this Contract is to provide Emergency Roadside Assistance Services during evacuation events or other events as needed. Emergency Roadside Assistance Services must be provided in this order of priority:

1. Safely push, pull, or tow all Disabled Vehicles from the travel lanes and shoulders so that the Disabled Vehicles are not obstacles or hazards to the safe flow of traffic.
2. After relocating Disabled Vehicles to a safe location on the side of the road, perform minor diagnostic service and repair of Disabled Vehicles to get the Disabled Vehicle moving again.
3. If Disabled Vehicles cannot be re-mobilized within 15 minutes of initiating minor diagnostic service and repair, transport Motorists to a commercial establishment at the next/nearest Interstate exit.

This is a Performance-Based Contract to provide Emergency Roadside Assistance Services for the Interstate 10 westbound corridor from Mile Marker 235.25 (Jefferson/Madison County line) in Jefferson County to Mile Marker 203 (Thomasville Road interchange) in Leon County.

\*\*\*.A MANDATORY PRE-PROPOSAL MEETING will be held at the Florida Department of Transportation, Midway Operations Conference Room, 17 Commerce Blvd. Midway, FL 32343-6601 on Thursday June 7, 2018 at 1:00 PM Eastern time. Bids for this project will not be received through Bid Express.

There will be a separate opening for the Technical and for the Price Proposal. The names of companies submitting will be ready publicly in the Procurement Conference Room, 2:00 p.m. on Thursday, June 21, 2018.

The Department intends to award this project to responsive and responsible Proposers. The Proposers will be the ones whose proposal package receives the highest score (Technical Proposal Score plus Price Score). Each project will be scored on its own merit.
