If the final annual calculated deduction is less than the total accumulated retainage for the fiscal year, the balance of the retainage will be paid to the Contractor. If the final annual calculated deduction exceeds the total accumulated retainage for the fiscal year, the balance will be deducted from the Contractor's payment. All deductions withheld from the Contractor and all retainage refunds to the Contractor will occur through adjustments to subsequent monthly invoice(s). Current Department procedures override this chart.</p> |   |
