86095000	862	I 595	MP 12.267	North East 7th Ave / Eller Drive

**Scope of Services - Section 3.17 is deleted and replaced with:**

**3.17 Payment of Roadway Utility Bills (Not Included)**

The scope of this contract does not include payment of roadway utility bill.

**Scope of Services - Section 3.23 is deleted and replaced with:**

**3.23 Non-Moveable Bridge Maintenance (Not Included)**

The scope of this contract does not include non-moveable bridge maintenance.

**Scope of Services - Section 4.5 is replaced with the following:**

**4.5 Temporary Traffic Control**

The Contractor shall be responsible for providing traffic control as requested by State agencies and Department entities outside of Maintenance (e.g., Florida Highway Patrol, State Materials Office, Structures Office, Department survey crews, etc.). For bidding purposes, Contractor should expect twenty (20) calendar days of one-lane closures per contract year.

**TEMPORARY TRAFFIC CONTROL PERFORMANCE CRITERIA**

<b>Deficiency</b>	<b>Identification Time Allowed</b>	<b>Criteria Deduction</b>
a. Failure to set up the traffic control devices by the scheduled timeframe	Must have all traffic control devices in operation by the scheduled time to begin work.	\$200 Per hour delinquent to site. \$5,000 Per Site for failure to appear.

b. Failure to provide a Certified Worksite Traffic Supervisor onsite	Certified Worksite Traffic Supervisor must be onsite.	\$500 Per Hour.
--	---	-----------------

**Scope of Services - Section 4.11 is replaced with the following:**

**4.11 Enhanced Open Channel Waterways**

Section 3.6 is expanded by the following

Open Channel Waterways is expanded as follows:

The Contractor shall maintain all roadside areas, medians, swales, channels, and outfall ditches located within the contract limits and up to 1000 feet from the state roadway on FDOT Right of Way including easements. All features shall be maintained to meet or exceed the tolerances and cross-sectional requirements specified in the original Construction Plans, ensuring proper drainage and safety.

The Contractor is required to ensure all open channel waterways meet MRP criteria, Permit, and any other applicable standards. The Department reserves the option to perform inspections on waterways that display or have reported issues to assist in identifying channels out of tolerance.

If any waterway is found to be impacted by debris, vegetation or slit, the Contractor will be required to develop and submit a plan to address the issues and submit the plan to the Department within one (1) week of discovery. The Contractor will be required to incorporate the plan for addressing issues with waterways in the Contractors Annual Work Plan until work is completed.

The Contractor shall notify the Department of any illegal connection to the waterway system upon discovery.

<b>Deficiency</b>	<b>Identification Time Allowed/Criteria</b>	<b>Deduction</b>
Failure to submit and maintain an Annual Maintenance Work Plan	Within 30 days of the start of contract and within 30 days of the anniversary date.	\$500.00 per occurrence
Failure to maintain Open Channel Waterways identified in the Annual Maintenance Work Plan	Immediately upon discovery	\$500.00 per occurrence

**Scope of Services – Attachment II is replaced with revised Attachment II.**

You must acknowledge receipt of **Addendum Two** when you submit your bid.
