RFP, pg. 168	3/28/18	Section VII.D Final Selection Formula has been revised as follows: "The Design-Build Firm selected will be the Design-Build Firm whose adjusted score is lowest. The funding for the Project is established at \$465,775,996. In the event that all Bid Price Proposals exceed the established funding amount, the Department

~~reserves the right (based on the availability of additional funds) to consider the Bid Price Proposals and factor the Adjusted Scores based on these Bid Price Proposals. Adjusted Scores will not be used to determine the contract award in the event that there is only one responsive Design-Build Firm to submit a Bid Price Proposal below the established funding amount.~~

The Department reserves the right to consider any proposal as non-responsive if any part of the Technical Proposal does not meet established codes and criteria.”
