Florida Department of Transportation Bid Solicitation Notice and Approximate Quantities

The Improvements under this Contract consist of, but are not limited to, signing and pavement markings through a Task Work Order/Work Document-driven, Push-Button contract, at various locations in Broward County, Florida.

BDI CONTRACT

WORK DRIVEN CONTRACT: The award amount shall be based on the budgeted amount of \$600,000.00 and not the contractors bid total over the two (2) year term of the contract.

The quantities shown on the Bid Price Proposal are approximate and only represent estimated planned requirements based on historical or specific project needs. The Department does not guarantee any maximum or minimum quantity, any range of quantities, or the exact quantities shown for each bid item. The Department's estimated quantities and the Contractor's bid price will be used to calculate a total bid amount. This total bid amount will then be used to determine the low bidder; however, actual payment under the awarded contract will be based on actual quantities completed. For this Contract in which specific sites are not identified at the time of letting, the Engineer will issue a Work Document. Work Documents will identify the location, description, amount of work to be accomplished, and the number of calendar days to complete the work.

METHOD OF PROCUREMENT: This project will be procured using a Bid Factor method.

- o The Department provides quantities and predetermined Base Unit Prices for pay items which are included in the Contract Plans and Advertisement.
- o The Bidder shall propose a single Bid Factor expressed as a number carried out to 3 decimal places. The proposed Bid Factor will be applied to all predetermined pay item Base Unit Prices included in the advertisement.
- o The Bid Factor of 1.000 shall be 100% of the Base Unit Price, any number above 1.000 will increase the Base Unit Price, and any number below 1.000 will decrease the Base Unit Price.
- o The lowest Bidder will be determined by the lowest Bid Factor submitted in response to the advertisement.
- o Award of the contract is based upon the bidder who submits a responsive and responsible bid with the lowest Bid Factor.

REQUIRED SUBMITTALS WITH BID:

- o Bid Factor Bidding Sheet must be submitted with the bid.
- o Form 275-000-02 Business Development Initiative Reference Sheet must be submitted with the bid.
