Contracts Administrator
District 5

Received by: _____

Company: _____

Date: _____

Notices of changes (addenda) will be posted on the Department of Transportation Contracts Administration Web Site under this contract number at:

<https://www.fdot.gov/contracts/district-offices/d5/lettings/dist-letting-project-info.shtm>

Only written communications provided by the duly authorized Department representative will be a valid expression on behalf of the Department. It is the responsibility of each potential Proposer to monitor this site for any changing information prior to submitting its Proposal. Proposers shall acknowledge addenda by printing and signing each addendum and submitting the signed addenda along with the Technical Proposal submittal.

5) SCHEDULE OF EVENTS

Below is the current schedule of the remaining events that will take place in the selection process. The Department reserves the right to make changes or alterations to the schedule as necessary to serve the best interests of the public. Proposers will be notified sufficiently in advance of any changes or alterations in the schedule. Unless otherwise notified in writing by the Department, the dates indicated below for actions required of the Proposers constitute absolute deadlines; failure to timely comply by these deadlines will cause a Proposer to be disqualified.

Florida Department of Transportation, District 5
Attn: Angie Richards, MS 524
719 South Woodland Boulevard
DeLand, FL 32720

14.2 Presenting the Technical Proposal

Construct the Technical Proposal using 8½" x 11" paper. One sheet of the Technical Proposal may consist of a larger foldout page (11" x 17"); this larger page may be utilized at the Proposer's discretion within any section of the Technical Proposal. Use a type size of twelve (12) point or larger Times New Roman font. This font limitation does not apply to the cover page, table of contents, and logo. Use margins no less than 1" at top and 1/2" at bottom and sides. In the language of the Technical Proposal, do not use ambiguous words such as may, might, should, etc.; use only definitive statements of what the Proposer will or will not accomplish. The entire Technical Proposal is limited to a maximum of **10** total pages, not counting bindings, covers, and table of contents. Sequentially number all pages. A page with information on both sides is considered two pages. Include all relevant material for each section with the appropriate sections; do not include any appendices, exhibits, resumes, or information in any form outside of the Section appropriate for that information.

14.3 Diversity Achievement

The Department encourages the recruitment and utilization of certified and non-certified minority businesses. The Department, its contractors, consultants, and suppliers should take all necessary and reasonable steps to ensure that minority businesses have the opportunity to compete for and perform contract work for the Department in a nondiscriminatory environment.

14.4 Affirmative Action

The State of Florida, Department of Transportation, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 and other nondiscrimination authorities, hereby notifies all proposers that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, Disadvantaged Business Enterprises will be afforded full opportunity to submit proposals in response to this invitation. Further, the Florida Department of Transportation will not discriminate against proposers on the basis of race, color, sex, or national origin in consideration of an award. No company will be awarded a contract unless they have an approved DBE Affirmative Action Program Plan. Please review the "DBE Bid Package" and Section 7-24
