FDOT District 5  
 Proposal ID No.: E5V67  
 Financial Project No.: 429182-1-72-06  
 Fiscal Year: 2021  
 County: Marion, Lake, Orange  
 Contract Calendar Days: 365

This is a Work Document driven Maintenance Contract with a Budgetary Ceiling of \$314,000. Contract Time begins on July 1, 2021.

Intent:

The work under this Contract consists of removal and installation of pavement markings and RPMs on various State maintained roadways in Marion, Lake, and Orange Counties.

Experience:

For this Contract the Contractor is required to have at least three (3) years of experience in the performance of pavement markings, or the Project Superintendent must have at least three (3) years of like experience as a Superintendent. A Contractor that presently has a certificate of prequalification with the Department in "Pavement Markings" will suffice to meet the above requirements.

The quantities shown on the Bid Price Proposal are approximate and only represent estimated planned requirements based on historical or specific project needs. The Department does not guarantee any maximum or minimum quantity, any range of quantities, or the exact quantities shown for each bid item. The Departments estimated quantities and the Contractors bid price will be used to calculate a total bid amount. This total bid amount will then be used to determine the low bidder; however, actual payment under the awarded contract will be based on actual quantities completed. For this Contract in which specific sites are not identified at the time of letting, the Engineer will issue a Work Document. Work Documents will identify the location, description, amount of work to be accomplished, and the number of calendar days to complete the work.
