ADDENDUM # 1

April 26, 2018

Contractors:

Please make note of the following changes for the above referenced project:

1. Specification package for bid on Kymax Option
2. Specification package for bid on Sher Cryl Option

Provided are specifications for three different coating options. Direct to Metal (DTM) was provided in the original package. Please provide a quote for each. We will review the Kymax option first and if our budget can support the low bid we will stop there. If not, we will review the bids for Sher Cryl; and if our budget can support the low bid we will stop there. If not, we will then proceed to the original direct to metal option.

PLEASE SIGN THE BOTTOM OF THIS ADDENDUM AND RETURN FAX TO VERIFY RECEIPT. FAILURE TO DO SO COULD RESULT IN YOUR BID BEING NON-RESPONSIVE. FAX NO. 850-412-8092.

I do acknowledge the receipt of this addendum.
