Description:

FDOT District 5
Proposal No.: E5V32
Financial Project No.: 419939-1-72-06
Fiscal Year: 2020
County: Brevard, Volusia, Orange
Calendar Days: 1095

This is a Maintenance Work Document driven Contract with a Budgetary Ceiling of \$501,232.00.

Intent:

The work under this Contract consists of performing routine maintenance activities, including pipe desilting, joint sealing, cleaning and various repairs on various drainage facilities at specified locations as identified in the contract documents on State Roads A1A, 5/US 1, 50, 513, and 520.

Experience: For this Contract the Contractor is required to have at least three (3) years of experience in the performance of drainage repair, or the Project Superintendent must have at least three (3) years of like experience as a Superintendent. A Contractor that presently has a certificate of prequalification with the Department in "Drainage" will suffice to meet the above requirements.

The quantities shown on the Bid Price Proposal are approximate and only represent estimated planned requirements based on historical or specific project needs. The Department does not guarantee any maximum or minimum quantity, any range of quantities, or the exact quantities shown for each bid item. The Departments estimated quantities and the Contractors bid price will be used to calculate a total bid amount. This total bid amount will then be used to determine the low bidder; however, actual payment under the awarded contract will be based on actual quantities completed. For this Contract in which specific sites are not identified at the time of letting, the Engineer will issue a Work Document. Work Documents will identify the location, description, amount of work to be accomplished, and the number of calendar days to complete the work.
