Description:

FDOT District 5
Proposal ID No. E56C2
Financial Project No. 412326-5-72-42
Fiscal Year: 2023

Counties: Orange and Osceola
Contract Calendar Days: 548 (18 Months)

This is a Maintenance Work Document driven project with a budgetary ceiling of \$750,000. Contract Term begins on the effective date of the Notice to Proceed.

INTENT AND SCOPE:

The work under this Contract consists of drainage system repair, including: desilting, video, liner, and manhole cleaning & sealing on facilities located within Department maintained rights of way on an as-needed basis.

EXPERTISE REQUIRED:

For this contract the Contractor is required to have at least three (3) years of experience in the performance of Drainage Repair, or the Project Superintendent must have at least three (3) years of like experience as a Superintendent. A contractor that presently has a certificate of prequalification with the Department in "Drainage" will suffice to meet the above requirements.

Note:

The quantities shown on the Bid Price Proposal are approximate and only represent estimated planned requirements based on historical or specific project needs. The Department does not guarantee any maximum or minimum quantity, any range of quantities, or the exact quantities shown for each bid item. The Departments estimated quantities and the Contractors bid price will be used to calculate a total bid amount. This total bid amount will then be used to determine the low bidder, however, actual payment under the awarded contract will be based on actual quantities completed. For this Contract in which specific sites are not identified at the time of letting, the Engineer will issue a Work Document. Work Document will identify the location, description, amount of work to be accomplished, and the number of calendar days to complete the work.
