Description: Bid Factor Bidding

Electronic bids are requested for a Push-button/Bid Factor/Budgetary Ceiling contract that consists of Traffic Operations/Roads/Miscellaneous Construction in Miami-Dade Countywide locations. Pre-qualification is required.

The Award Amount shall be based on the Budgetary Ceiling Amount of \$700,000.00 and not the vendors bid total over the two (2) year term of the contract. If vendors bid is above the Budgetary Ceiling amount, vendor will receive the budgetary ceiling amount. If vendors bid is below the Budgetary Ceiling amount, vendor will receive their bid amount.

The quantities shown on the Bid Price Proposal are approximate and only represent estimated planned requirements based on historical or specific project needs. The Department does not guarantee any maximum or minimum quantity, any range of quantities, or exact quantities shown for each bid item. Use the Departments quantities and prices listed for each item in the Bid Price Proposal to determine a single bid factor. The bid factor will be used to determine the low bidder; however, actual payment under the awarded contract will be based on actual quantities completed.

METHOD OF PROCUREMENT-Bid Factor Method:

- The Department provides quantities and predetermined Base Unit Prices for pay items which are included in the Contract Plans and Advertisement.
- The Bidder shall propose a single Bid Factor expressed as a number carried out to 3 decimal places. -The proposed Bid Factor will be applied to all predetermined pay item Base Unit Prices included in the advertisement.
- The Bid Factor of 1.000 shall be 100% of the Base Unit Price, any number above 1.000 will increase the Base Unit Price, and any number below 1.000 will decrease the Base Unit Price.
- The lowest Bidder will be determined by the lowest Bid Factor submitted in response to the advertisement.
- Award of the contract is based upon the bidder who submits a responsive and responsible bid with the lowest Bid Factor.

REQUIRED SUBMITTAL WITH BID: Bid Factor Bidding Sheet must be submitted with the bid as an attachment.

PERFORMANCE BOND: A Contract / Performance bond is required for this project
