**Description:**

Electronic bids are requested for an Emergency (Pre-Event) contract to provide Generator Installation, Refueling Operations and Traffic Signal Repair Operations pursuant to a Governor's and/or President's Declaration of a State of Emergency in Miami-Dade County within District Six. The contractor shall provide all labor, material equipment, and fuel required to pick up the generators continuously during the event, including any TTC as described in Exhibit 'A' - Scope of Services. The Department, at its sole discretion, may award one or more contracts. If more than one award is made, award will be based on the lowest responsive bid then the next lowest responsive bid and so forth and activated in the same order based on Contractor availability and ability to satisfy the needs of the Department at the time contacted. No quantities are guaranteed and there will be no unit cost adjustment for quantities required over or under the estimated quantities.

**PRE-QUALIFICATION IS REQUIRED TO BID ON THIS PROJECT**

FHWA 1273 and Davis Bacon Wage Rates are applicable for this Contract

The contractor shall provide a letter to the Department at the time of bid from a surety authorized to do business in the State of Florida verifying the contractor is bondable in the State of Florida. For the purposes of this contract the dollar amount is established at \$2,000,000.00

Submit your questions through Bid Question and Answer website and their respective answers will be also posted at this site.
