Description:

Electronic bids are requested for a Work Order Driven / Budgetary Ceiling contract that consists of providing labor, equipment, and materials to refurbish existing thermoplastic traffic stripes and markings in various state roads in Miami-Dade County.

Experience Form in Pavement Markings (Form # 850-070-06) must be submitted with your electronic bid as an attachment, or your bid might be deemed nonresponsive.

The quantities shown on the Bid Price Proposal are approximate and only represent estimated planned requirements based on historical or specific needs. The Department does not guarantee any maximum or minimum quantity, any range of quantities, or the exact quantities shown for each bid item. The Department's estimated quantities and the Contractor's bid price will be used to calculate a total bid amount. This total bid amount will then be used to determine the low bidder; however, actual payment under the awarded contract will be based on actual quantities completed. For this Contract in which specific sites are not identified at the time of the Letting, the Engineer will issue a Work Document. This Work Document will identify the location, description, amount of work to be accomplished, and the number of calendar days to complete the work. Award will be made at the Budgetary Ceiling Amount of \$300,000.00

PERFORMANCE BOND: A Contract / Performance bond is required.
