Description:

This contract consists of maintenance, repair and new installation of the roadside lighting, ancillary structures and bridges lighting systems including under deck lighting on various Arterial State Roads districtwide.

The quantities shown on the Bid Price Proposal are approximate and only represent estimated planned requirements based on historical or specific project needs. The Department does not guarantee any maximum or minimum quantity, any range of quantities, or the exact quantities shown for each bid item. The Department's estimated quantities and the Contractors bid price will be used to calculate a total bid amount. This total bid amount will then be used to determine the low bidder; however, actual payment under the awarded contract will be based on actual quantities completed. For this Contract in which specific site are not identified at the time of letting, the Engineer will issue a Work Document. Work Documents will identify the location, description, amount of work to accomplish, and the number of calendar days to complete the work.

The award will be made at the budgetary ceiling amount of \$220,000.00.
