**Description:**

A contract to perform shoulder preparation (restoring non-paved shoulders, slopes and roadside ditches) for proper drainage, protection of pavement edge, and to provide a safe recovery area. This contract also consists of furnishing and placing sod, rolling, fertilizing, watering, and maintaining the sodded areas to ensure a healthy stand of grass in different locations on various Arterial State Roads in Miami Dade County.

The quantities shown on the Bid Price Proposal are approximate and only represent estimated planned requirements based on historical or specific needs. The Department does not guarantee any maximum or minimum quantity, any range of quantities, or the exact quantities shown for each bid item. The Department's estimated quantities and the Contractor's bid price will be used to calculate the total bid amount. This total bid amount will then be used to determine the low bidder; however, actual payment under the awarded contract will be based on actual quantities completed. For this Contract in which specific sites are not identified at the time of the Letting, the Engineer will issue a Work Document. This Work Document will identify the location, description, amount of work to be accomplished, and the number of calendar days to complete the work.

\*\*\*The award will be made at the Department Advertised Estimate Amount of \$200,000.00
