Description:

A Contract to apply new and refurbish thermoplastic traffic stripes and markings and remove existing thermoplastic traffic stripes and markings on various arterial state roads in Miami-Dade County. This contract includes applying new or refurbishing lane lines parallel to the direction of the traffic. The work excludes "Hot Spray". Pre-qualification is not required.

The quantities shown on the Bid Price Proposal are approximate and only represent estimated planned requirements based on historical or specific project needs. The Department does not guarantee any maximum or minimum quantity, any range of quantities, or the exact quantities shown for each bid item. The Department's estimated quantities and the Contractor's bid price will be used to calculate a total bid amount. This total bid amount will then be used to determine the low bidder; however, actual payment under the awarded contract will be based on actual quantities completed. For this Contract in which specific sites are not identified at the time of

letting, the Engineer will issue a Work Document. Work Documents will identify the location, description, amount of work to be accomplished, and the number of calendar days to complete the work.

***Eligibility qualifications are required to bid on this project for the repair and replacement of pavement marking. A bid not accompanied with documentation of eligibility qualifications as required herein may result in the bid being deemed non-responsive.

***The Award will be made at the Department Advertised Estimate Amount of \$400,000.00.
