Question: 21657: What are the locations of Special Detour 1 and Special Detour 2? Posted: 4/4/2018 12:49:21 PM

---

Answer: - Pay items 102-2-1 and 102-2-2 (Special Detours) are used to cover the cost of 1" of Type SP Structural Course for the temporary top layer in all widening areas (Traffic Control Plans Phases 1 and 2). Per the BOE, we are required to use this pay item for temporary asphalt when shifting lanes. This layer will be milled and resurfaced with friction course in the Traffic Control Plans Phase 3.
