Question: 22256: Polypropylene is not listed in the optional materials tabulation for financial ID # 436587-1-52-01. We have reviewed and confirmed that PP will meet min/max cover requirements per FDOT specifications index 205 for most sections of pipe on this plan. As such, can PP be utilized as an optional material for these sections that meet cover requirements? Posted: 5/15/2018 1:47:36 PM

Question: 22570: Please provide the approved pavement design package, including cores of the existing pavement. Posted: 6/4/2018 2:33:00 PM

---

Answer: The Department does not guarantee the details or computations contained within the pavement design package and the pavement survey and evaluation report for 436586-1-52-01 & 436587-1-52-01. The pavement design and the pavement design package and the pavement survey and evaluation report is provided for informational purposes only and is not part of the contract documents. The bidder's submission of a proposal is prima facie evidence that the bidder has not relied on the pavement core report. No claim for compensation may be based on an inaccuracy contained within the pavement core report or the information given within this answer. The pavement design package and the pavement survey and evaluation reports may be downloaded as labeled "Attachment "A" and Attachment "B". Status: ANSWER PUBLISHED
