Question:	21302: Section TSP-580 Tree Relocation indicates the establishment period (T580-4.2) for the relocated trees is defined as the day the plant is installed until final acceptance.  Is Final acceptance determined when the entire job is complete and accepted or is there a two year establishment period after the roadway work is accepted?  Section TSP-580 does not mention Landscape Architect Quarterly Inspections, are they required?	Posted:	3/1/2018 3:48:48 PM
Answer:	Per Article T580-4.2 of the Technical Special Provisions, "the Establishment Period is defined as the day the plant is installed until final acceptance." In this contract the Establishment Period is not a two year period. The Final Acceptance is defined in Article 5-11 of the Standard Specifications. Per Article T580-4.3 of the Technical Special Provisions, during Establishment Period monthly inspections and certifications will be required.	Status:	ANSWER PUBLISHED
