Proposal: T1809

Project: 446240-1-52-01

Letting Date: 5/26/2021

Location: CENTRAL OFFICE

Description: SR 93 (I-75)

---

Question:	34031: Please clarify the required work classification for this project. The Bid Solicitation notice and apprx quantities lists all line items under "Intelligent Transportation System". However, the work class breakout sheet lists 6 classifications with ITS only being 15%. Please clarify which document is correct.	Posted: 5/10/2021 4:56:39 PM

---

Answer:	For clarification, the BSN, Plans and Bid documents indicate that there are only two ITS pay items in the project comprising less than 0.5% of the total estimate of the project. Since the Dollar value of these two pay items was less than 0.5 percent of the total, it was not shown on the breakouts report with any percentage, that is published on the Contracts Administration's Office web site.
