Question: 34200: Temporary Traffic Control Plan Note #5 states "Two (2) consecutive median openings cannot be closed at the same time." Please clarify if this is intended for the construction operations within the crossover or if this also pertains to mainline milling and resurfacing operations

Posted: 5/18/2021 10:54:53 AM

---

Answer: The note pertains to construction within a particular median opening on the mainline. Should one median opening be closed, traffic can be re-routed to the next median opening and make a u-turn.
