Answer: The pay item note on sheet 3 for item 550-10-120 was an Eglin AFB requirement for the temporary fencing to be placed from near station 17 to near station 21 when we removed the existing fence as a part of the sidewalk installation and R/W acquisition. This work was removed from the project but the note inadvertently was not removed. Please disregard the pay item note for it is no longer applicable. Status: ANSWER PUBLISHED
