Question: 36855: Why are the Calendar Days for Pay Item 102-107-1 only 3 and not 500 and will the Department add Pay Item 102-104 @ 500 CD's? Posted: 2/3/2022 3:14:48 PM

Based on the Specifications:

102-11.17 Temporary Signalization and Maintenance: For existing intersections, the certified quantity to be paid for will be the number of signalized intersections per day for the full duration of the Contract.

102-11.18 Temporary Traffic Detection and Maintenance: For existing intersections, the certified quantity to be paid for will be the number of signalized intersections per day beginning the day Contract Time begins and ending the day the permanent detection is operational and the final lane configuration is in place.
