If the spread footers are for the pedestrian signal pole (646-1-11) installation, can you identify which locations are require to have spread footers installed?	Posted: 2/10/2022 3:37:06 PM
-----------	---	------------------------------

Answer:	The cost of the footing, including incidental work, is included in the pay item number for pedestrian signal pole (646-1-11). The pedestrian signal poles which require spread footer foundations are noted on sheet T-8 and T-10 adjacent to the 646-1-11 pay item quantity as "SEE SPREAD FOOTER DETAILS".
