Question:	36605: Per TCP General Notes (Sheet 206), the lane closures shall occur only during non-peak hours from 9:30 PM to 5:30 AM. Per the Traffic Control Plans, resurfacing adjacent to Sea Oats Beach shall be performed during nighttime. However, per Permit MO-63 Special Conditions: - No construction, operation, transportation or storage of equipment or materials, planting, and no temporary lighting of the construction area are authorized in marine turtle nesting habitat seaward of the dune crest at any time during the marine turtle nesting season (March 1 through October 31). - All activities shall be confined to daylight hours and no temporary lighting of the construction area is authorized at any time during the marine turtle nesting season. No permanent lighting is authorized. Please advise if night work will be allowed during marine turtle nesting season.	Posted: 1/20/2022 9:43:20 AM
