Maintenance Contracts: Bidders do not have to be prequalified per Rule 14-22 Florida Administrative Code (F.A.C.). (Some maintenance contracts may include specific qualification requirements for contractor eligibility.)

Construction Contracts: Proposals over $250,000 require bidders to be prequalified per Rule 14-22 F.A.C.
GETTING STARTED

Your company must be registered in MyFloridaMarketPlace to do business with the State of Florida. The following link is where you will register, www.myfloridamarketplace.com

Select the following:
1. Vendors
2. Register with MFMP
3. New Vendor Registration (continue to fill in your company information)

Your corporation or limited liability corporation must be registered with the Division of Corporations to do business in the State of Florida, www.sunbiz.org
To register your email address to receive notifications of advertised jobs, visit the following link and enter your email address, www.fdot.gov/contracts/bsn_subscribe.shtm

Your company must have an approved DBE Affirmative Action (AA) Plan on file with the Equal Opportunity Office. This document, **DBE AA Plan** (FDOT Form # 275-030-11B), must be completed and submitted for approval. See this document, **DBE Bid Package Information form** (FDOT Form # 275-030-11), for instructions. For more information please visit, [www.fdot.gov/equalopportunity](http://www.fdot.gov/equalopportunity) or call Stefan Kulakowski at (850) 414-4747

Email: stefan.kulakowski@dot.state.fl.us

Your company must be bondable. A 5% bid bond is required for bids over $150,000 (a bid bond is not required for bids $150,000 or less). If awarded a contract, a 100% performance bond is required.
PREQUALIFICATION

- For construction contracts over $250,000, prequalification is required.

- An applicant must apply online. Approved applicants are issued a Certificate of Prequalification, which includes the approved work classes and the bidding capacity. Applicants can submit Reviewed Financial Statements to bid on contracts less than $1M. Audited Financial Statements are required for qualification to bid on construction contracts with a budget estimate of $1M or more.

- For more information, please visit www.fdot.gov/contracts/PreQual_Info/prequalified.shtm

- Please allow **30 days** for processing.
Periodically the Department will advertise a project specifically set aside for small businesses. This designation will be shown in the details of the advertisement for the project.

A listing of reserved BDI projects can be viewed at the link: http://www.fdot.gov/equalopportunity/reservedcontracts.shtm

Typically (verify in specification package) the 5% bid bond is waived and a $500 cashier’s check is required for bids over $150,000.

Prequalification per Rule 14-22 Florida Administrative Code is not required.

A business determines its size by averaging its annual gross receipts over the past 3 years. If its annual gross amount over that time period is under the SBA size standards for a particular type of work and under $22.41 million, the business will be considered a small business.

When requesting bid documents, only the plans and specifications will be available for immediate download. Once the BDI Affidavit and Profile from your company are received by the Office advertising the project and your forms are verified, you will be notified that you are now able to download the bidding documents.

More information and the size standard chart can be found here: http://www.fdot.gov/equalopportunity/sizestandards.shtm
MANDATORY PRE-BID MEETINGS

- At the option of the engineer, the mandatory pre-bid meeting will be advertised with the project information.
- Only the plans and specifications will be available for download prior to the meeting.
- You must “order” the bid documents using Online Ordering before you can be marked as having attended the meeting.
- Attendance is required for the entire duration of the mandatory pre-bid meeting.
- Once everyone has signed in, the sign-in sheet will be taken and the meeting will officially begin at the advertised start time.
- Anyone not signed in at the official start time will be considered late and will not be allowed to bid on the project.
- Anyone that does not attend the entire pre-bid will not be credited with attendance and will not be allowed to bid on the project.
- After the meeting, you will be marked as attended and will then be able to access the bidding documents.
