

NEW BIDDERS ORIENTATION

FDOT CONTRACTS

March 19, 2026

DISTRICT CONTRACTS

Maintenance Contracts: Bidders do not have to be prequalified per Rule 14-22 Florida Administrative Code (F.A.C.). (Some maintenance contracts may include specific qualification requirements for contractor eligibility.)

Construction Contracts: Proposals over \$250,000 require bidders to be prequalified per Rule 14-22 F.A.C.

GETTING STARTED

- ⦿ Your company must be registered in MyFloridaMarketPlace to do business with the State of Florida. The following link is where you will register, vendor.myfloridamarketplace.com

Select the following:

- 1.Vendors
 - 2.Register with MFMP
 - 3.New Vendor Registration (continue to fill in your company information)
- ⦿ Your corporation or limited liability corporation must be registered with the Division of Corporations to do business in the State of Florida, www.sunbiz.org

- ◉ To register your email address to receive notifications of advertised jobs, visit the following link and enter your email address, www.fdot.gov/contracts/bsn_subscribe.shtm
- ◉ Your company must be bondable. A 5% bid bond is required for bids over \$150,000 (a bid bond is not required for bids \$150,000 or less). If awarded a contract, a 100% performance bond is required.

PREQUALIFICATION

- For construction contracts over \$250,000, prequalification is required.
- An applicant must apply online. Approved applicants are issued a Certificate of Prequalification, which includes the approved work classes and the bidding capacity. Applicants can submit Reviewed Financial Statements to bid on contracts less than \$2M. Audited Financial Statements are required for qualification to bid on construction contracts with a budget estimate of \$2M or more.
- For more information, please visit www.fdot.gov/contracts/PreQual_Info/prequalified.shtm
- Please allow **30 days** for processing.

BUSINESS DEVELOPMENT INITIATIVE (BDI) SMALL BUSINESS PROGRAM

- ◉ Periodically the Department will advertise a project specifically set aside for small businesses. This designation will be shown in the details of the advertisement for the project.
- ◉ A listing of reserved BDI projects can be viewed at the link:
<http://www.fdot.gov/equalopportunity/reservedcontracts.shtm>
- ◉ Typically (verify in specification package) the 5% bid bond is waived and a \$500 cashier's check or \$500 bid bond is required for bids over \$150,000.
- ◉ Prequalification per Rule 14-22 Florida Administrative Code is not required.
- ◉ A business determines its size by averaging its annual gross receipts over the past 3 years. If its annual gross amount over that time period is under the SBA size standards for a particular type of work and under \$22.41 million, the business will be considered a small business.
- ◉ When requesting bid documents, only the plans and specifications will be available for immediate download. Once the BDI Affidavit and Profile from your company are received by the Office advertising the project and your forms are verified, you will be notified that you are now able to download the bidding documents.
- ◉ More information and the size standard chart can be found here:
<http://www.fdot.gov/equalopportunity/sizestandards.shtm>

MANDATORY PRE-BID MEETINGS

- ◉ At the option of the engineer, the mandatory pre-bid meeting will be advertised with the project information.
- ◉ Only the plans and specifications will be available for download prior to the meeting.
- ◉ You must “order” the bid documents using Online Ordering before you can be marked as having attended the meeting.
- ◉ Attendance is required for the entire duration of the mandatory pre-bid meeting.
- ◉ Once everyone has signed in, the sign-in sheet will be taken and the meeting will officially begin at the advertised start time.
- ◉ Anyone not signed in at the official start time will be considered late and will not be allowed to bid on the project.
- ◉ Anyone that does not attend the entire pre-bid will not be credited with attendance and will not be allowed to bid on the project.
- ◉ After the meeting, you will be marked as attended and will then be able to access the bidding documents.

In this section, you can check to see if there were any Addenda and Amendments. Also, you can see if there were any Pre-Bid Questions asked concerning this project. If there are any Amendments, it should state above where the arrow is pointing. If an Amendment has been issued and this says 0, then you need to close Project Bid, download the Amendment and save it in the same folder that you saved the EBSX file. Re-open Project Bid and it will automatically update with the Amendment file.

SUBMITTING YOUR BID

- ◉ Unless otherwise stipulated in the proposal description, bids for all projects must be submitted using Bid Express only. No other means of submission of bids will be accepted. Please visit the Contracts Administration Website at: <http://www.fdot.gov/contracts> for more information on Bid Express. Submitting bids through Bid Express requires a Digital ID. To obtain a Digital ID, please contact Bid Express at <http://www.bidx.com>. Allow up to 6 days to complete the Digital ID registration.

- ◉ To submit your bid, you must include the following:
 1. Type of bid bond if bid is more than \$150,000.00.
 2. The original hard copy bid bonds and bid bond cashier's checks must be received by the Contracts Administration Office by the cut off time.
 3. If applicable: Expertise/Experience Form, BDI Reference Form

- ◉ Please make sure that all of your contact information is correct when filling out your paperwork.

- ◉ Review the Bidders Checklist at this link:
<https://ftp.fdot.gov/public/file/ureceunvf02h0wvomkwpqq/BidderChecklist.pdf>

Please follow this checklist and call the Contracts Office, if you have any questions.

SUBMITTING YOUR BID

- When submitting your bid electronically it is important to note the following:
 - No one can see your bid until the cutoff time for the letting. There is no need to wait until the last minute to submit your bid.
 - You can update your bid at any time up to the cutoff time. You are not limited to only one submission. We encourage you to submit your bid as early as possible. If you need to make any changes, simply resubmit the bid.
 - Submitting early will also allow us the time needed to help you with any problems that may occur. While we will make every effort to help you get your bid in on time, it may not be possible if we get notified at the last minute.

HELPFUL INFORMATION

- Please read over the Full Advertisement, which can be found on the FDOT Contracts website. The advertisement contains important, helpful information such as the letting date & time, letting location, project information, posting notice, prequalification information, protest rights, bid bond information, & more.
- If you have any technical questions, you **must** go through our Bid Question & Answers site. Questions posted to this site before 5:00 P.M. (EST) on the seventh calendar day prior to the bid opening will be responded to by the Department. For questions posted after this time, an answer cannot be assured. For all questions posted before the deadline, FDOT will provide and post responses on this website, <https://bqa.fdot.gov>

WHAT TO EXPECT...

- ◉ After the letting, the preliminary results will be posted to the website, <https://bidletting.fdot.gov/LettingMain>
- ◉ The bids will be reviewed by FDOT staff.
- ◉ The intent to award will be posted on the posting date and will be officially awarded following the 72 hour protest period. The contractor usually has 10 days to execute the contract and obtain the performance bond. After final execution by the Department, which may take 5 days, the Notice To Proceed (NTP) is usually issued within the next 30 days. Review the contract specifications to confirm the NTP and contract execution timeframes.
- ◉ The awarded vendor will receive their award package by email after the posting.
- ◉ To obtain additional information please visit the Contracts Website at <http://www.fdot.gov/contracts/>
