## **BID BOND**

The bid bond required for this proposal is three percent instead of the usual five percent required for most of our contracts. Since the default bid bond set in the Expedite program is five percent, contractors submitting electronic bid bonds have been experiencing error messages due to this percentage difference.

If you are submitting an electronic bid bond for this proposal, please disregard the error message due to the bid bond percentage differences. Complete all necessary information and submit your bid by the due time. The bid bonds will be verified by this office based on the information submitted.
