**Description:**

The work specified in this contract consists of providing all labor, materials, equipment and incidentals necessary for the installation of eighty-one (81) Bluetooth travel time detection equipment at various locations.

This contract is for the installation Bluetooth travel time detection equipment at eighty-one (81) locations as identified herein. The contractor will receive equipment at the Turnpike Operations Building in Pompano Beach, Florida.

The Contractor shall have personnel with a minimum of three (3) years experience in performing ITS maintenance Work, and/or ITS construction work, and as part of the Contract requirements.

Payment for the Bluetooth Install Department furnished above ground equipment item shall be full compensation for all labor, materials, equipment, mobilization, maintenance of traffic, and incidentals necessary for Installing and Integrating a Department Furnished Bluetooth AVI System. All items shall be installed in accordance with the latest DOT specifications, except where the direction of the Engineer exceeds the requirements set forth by the Specifications.

Prior to beginning work under this Contract, the Contractor shall submit to the Engineer for approval, two copies of the Contractor's proposed plan and methods for performing the work, including a listing of equipment and personnel anticipated for use.

The Contractor shall perform all work during day hours in accordance with the Turnpike Lane Closure Policy.

No U-turns shall be permitted as a condition of this Contract, except at Service Plazas.

NO PRE-BID CONFERENCE WILL BE HELD FOR THIS PROJECT.
