In the event tie bids are received, the Department will conduct a coin toss involving the firms that submitted the tie bids. The winner of the coin toss will be considered the apparent low bidder and will be considered for award of the contract. A quarter (U.S. currency) will be used for the coin toss. The assignment of "Heads" and "Tails" will be made alphabetically by firm name as stated in each firm's bid. The firm having the name that comes first alphabetically in the conventional ordering of the English alphabet will be assigned "Heads," and the other firm will be assigned "Tails." The firm assigned the side of the coin that is showing after it lands will be the winner of the coin toss. The coin toss will occur at 11:00 A.M. on Thursday, May 27, 2021.
