Title VI Compliance

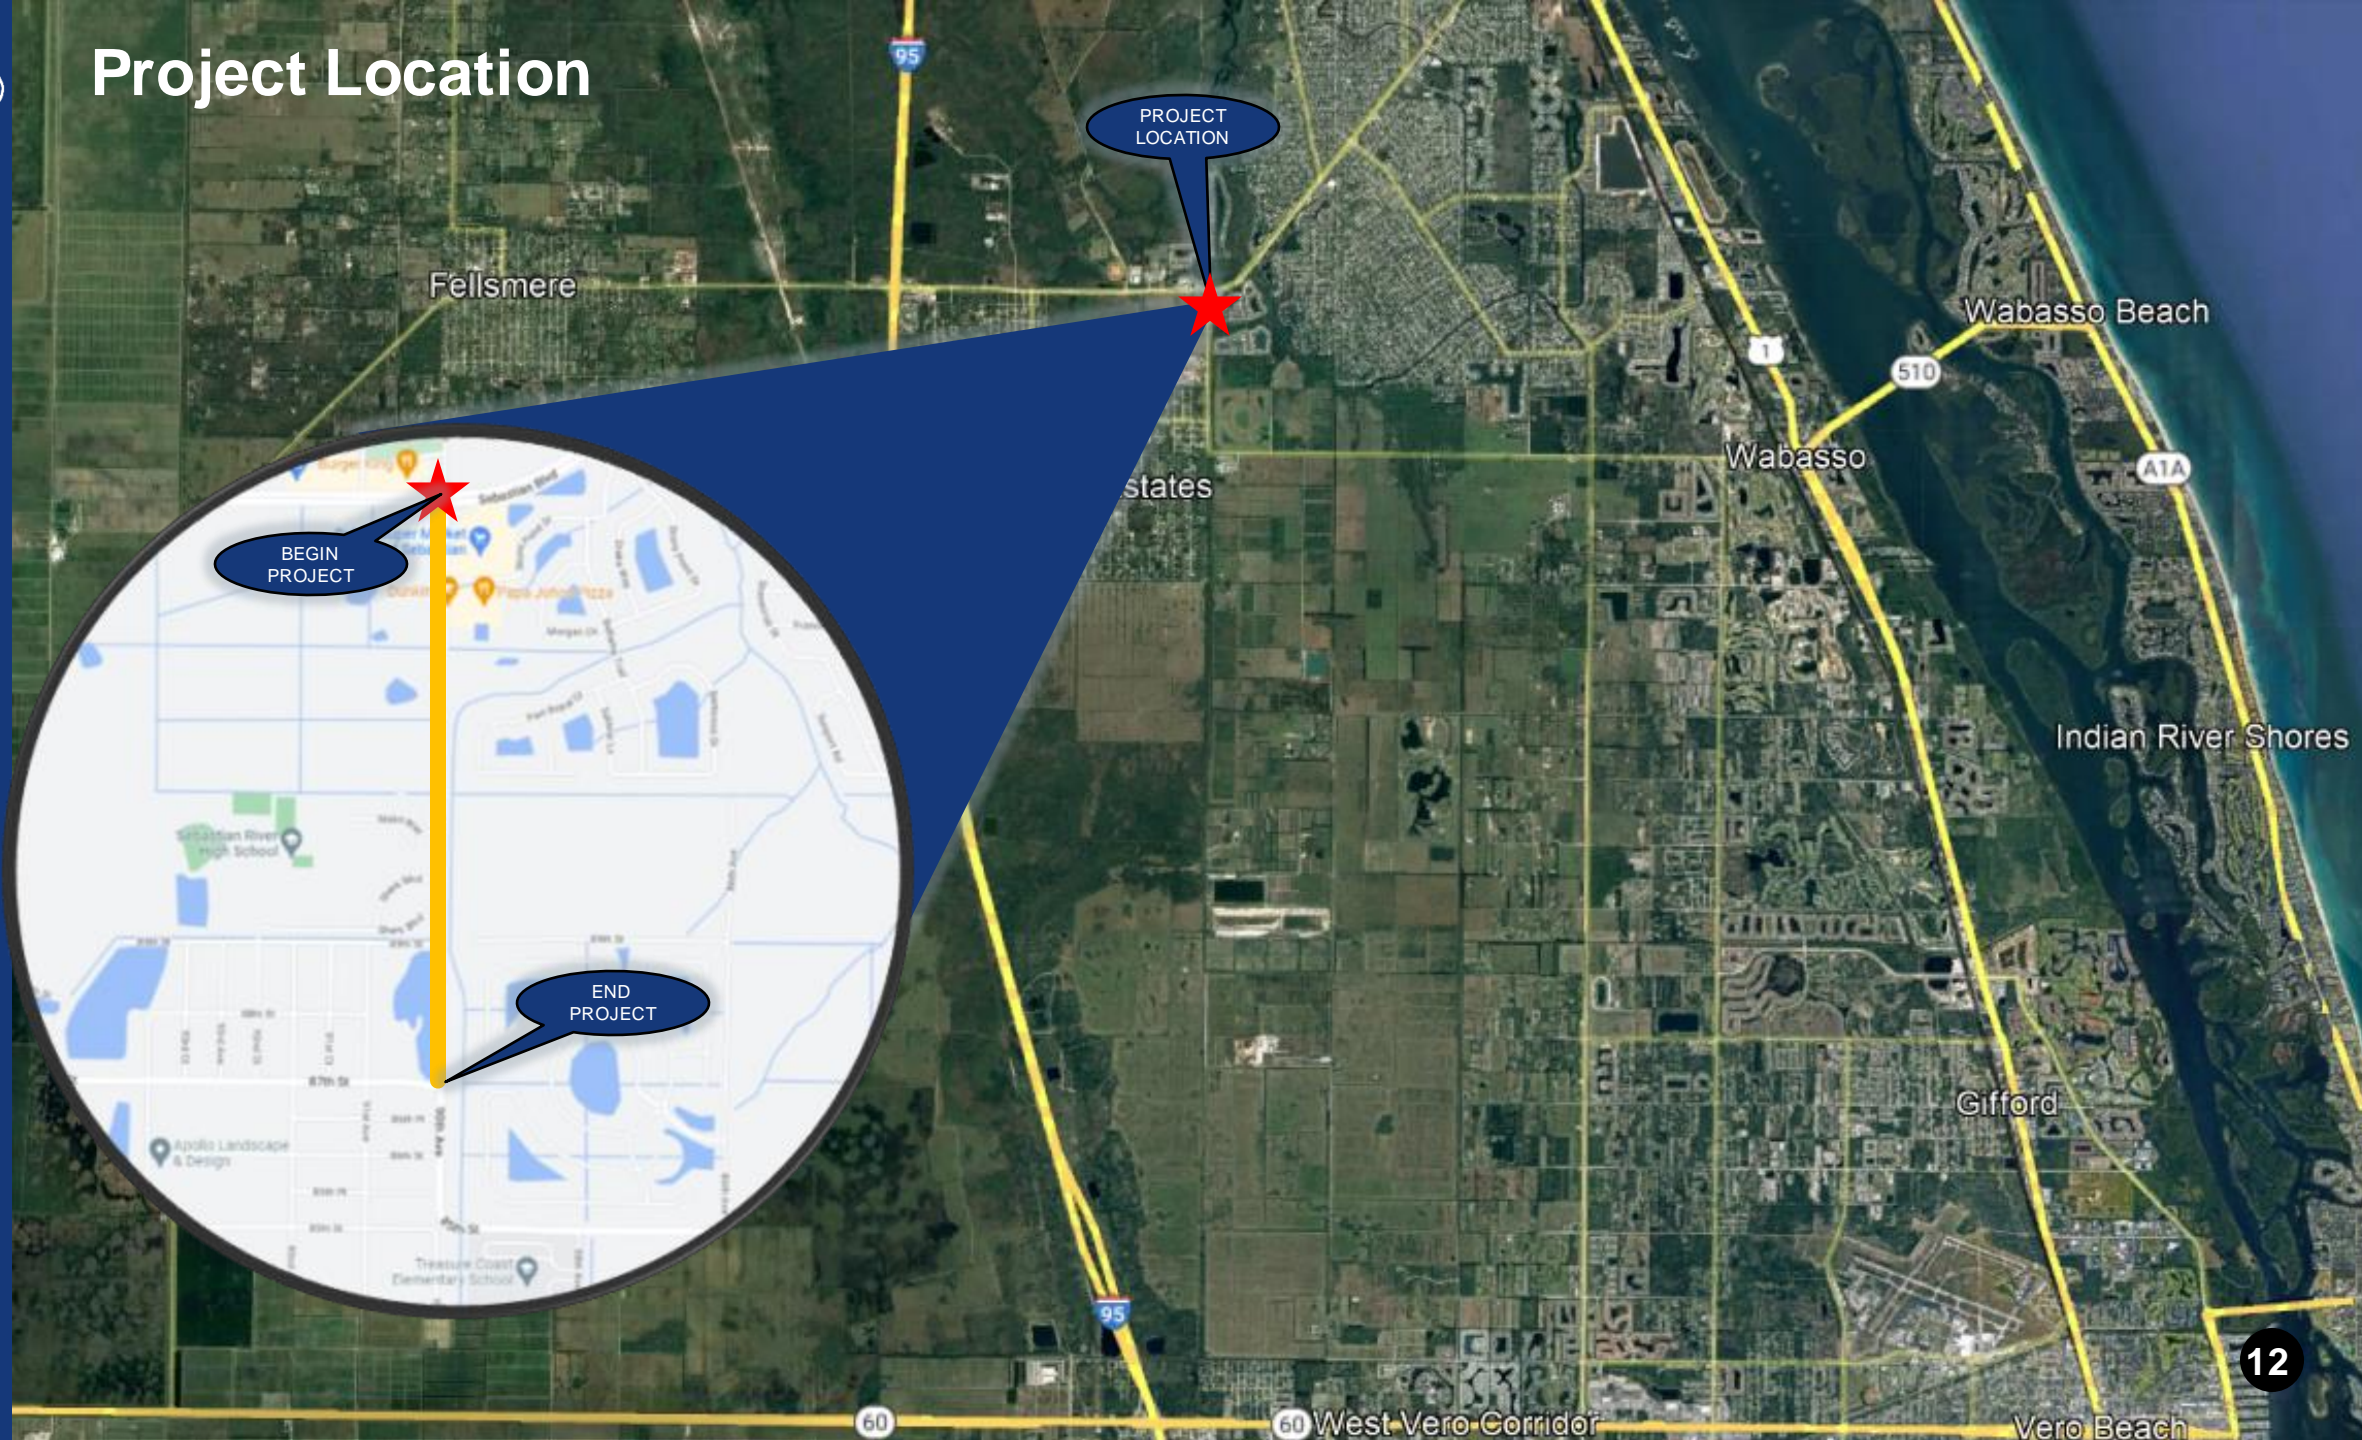

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons wishing to express concerns relative to FDOT compliance with Title VI may do so by contacting:

Sharon Singh Hagyan
District Four Title VI Coordinator
954-777-4190
Sharon.SinghHagyan@dot.state.fl.us

Jacqueline Paramore
State Title VI Coordinator
850-414-4753
jacqueline.paramore@dot.state.fl.us

All inquiries or concerns will be handled according to FDOT procedure and in a prompt and courteous manner.

Project Location

Project Overview

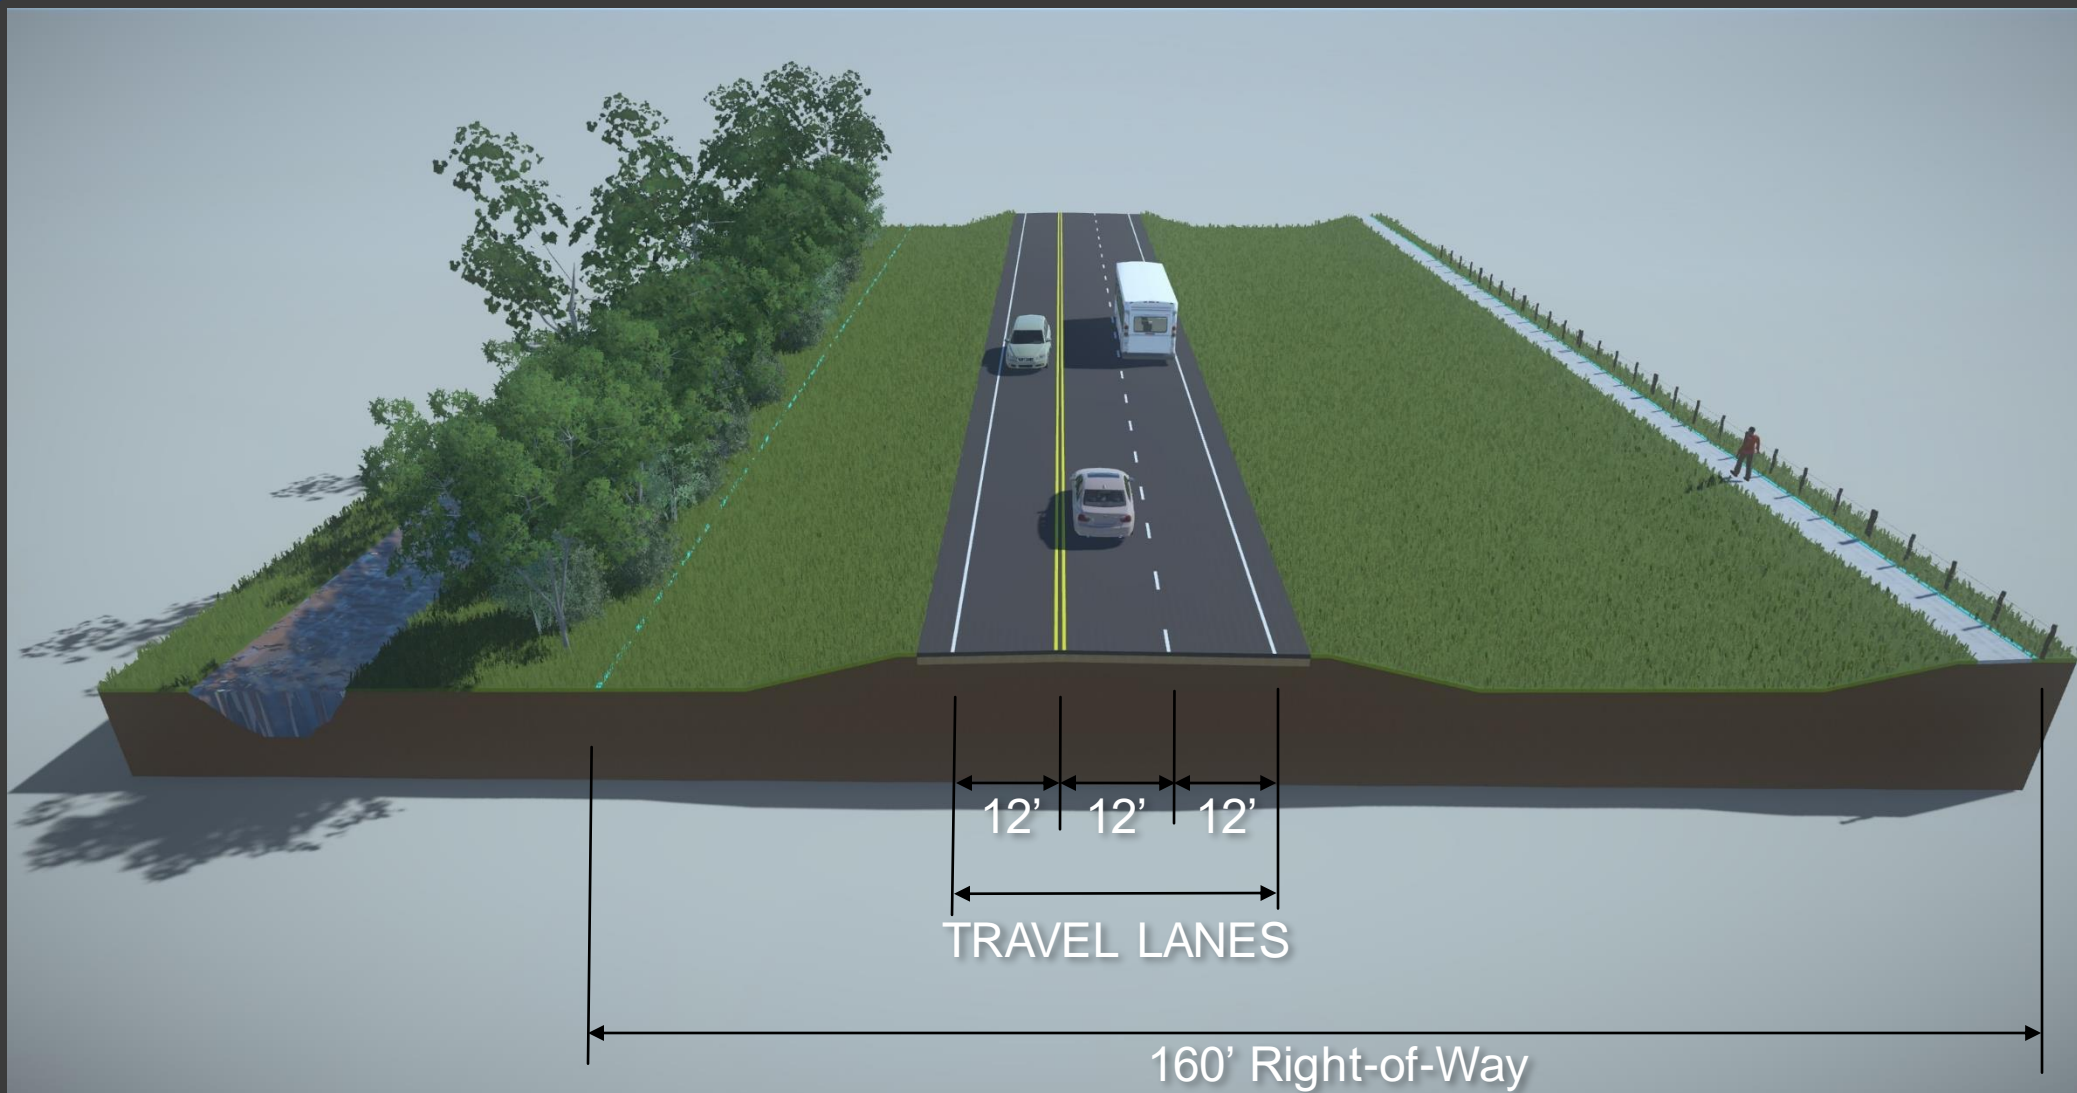

- The purpose of the proposed project is to create additional capacity on CR 510 to achieve an acceptable Level of Service (LOS) on the facility in the future.
- While the roadway currently operates at an acceptable LOS, conditions will deteriorate below acceptable standards if no improvement occurs by 2035, as the roadway will have insufficient capacity to accommodate the future travel demand.

Project Improvements

- The project will widen CR 510 to four travel lanes, 7– ft buffered bicycle lanes and 6-ft wide Americans with Disabilities Act (ADA) compliant sidewalks.
- Intersections will be upgraded with new traffic signals.
- Stormwater will be collected and conveyed to new ponds.
- A new bus transfer facility will be constructed around the proposed pond providing additional bus bays.
- All new municipal utilities will be installed.

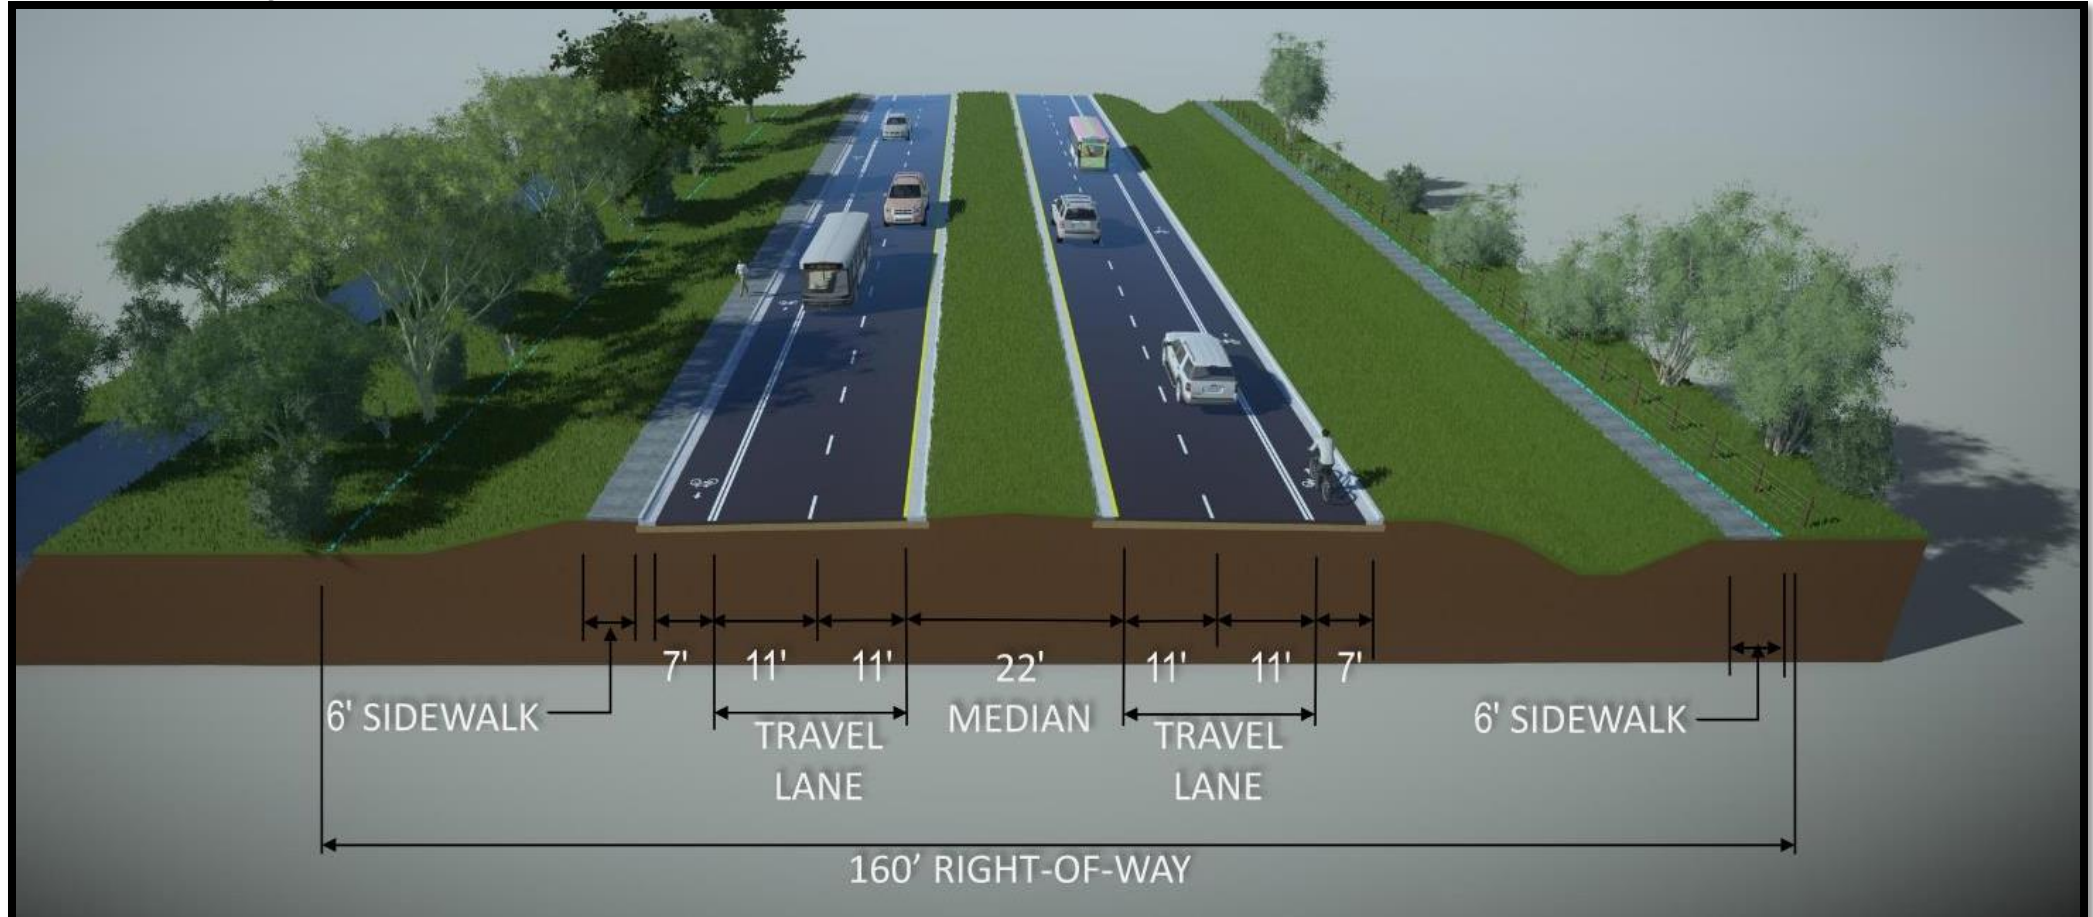

Typical Sections

Existing Typical Section

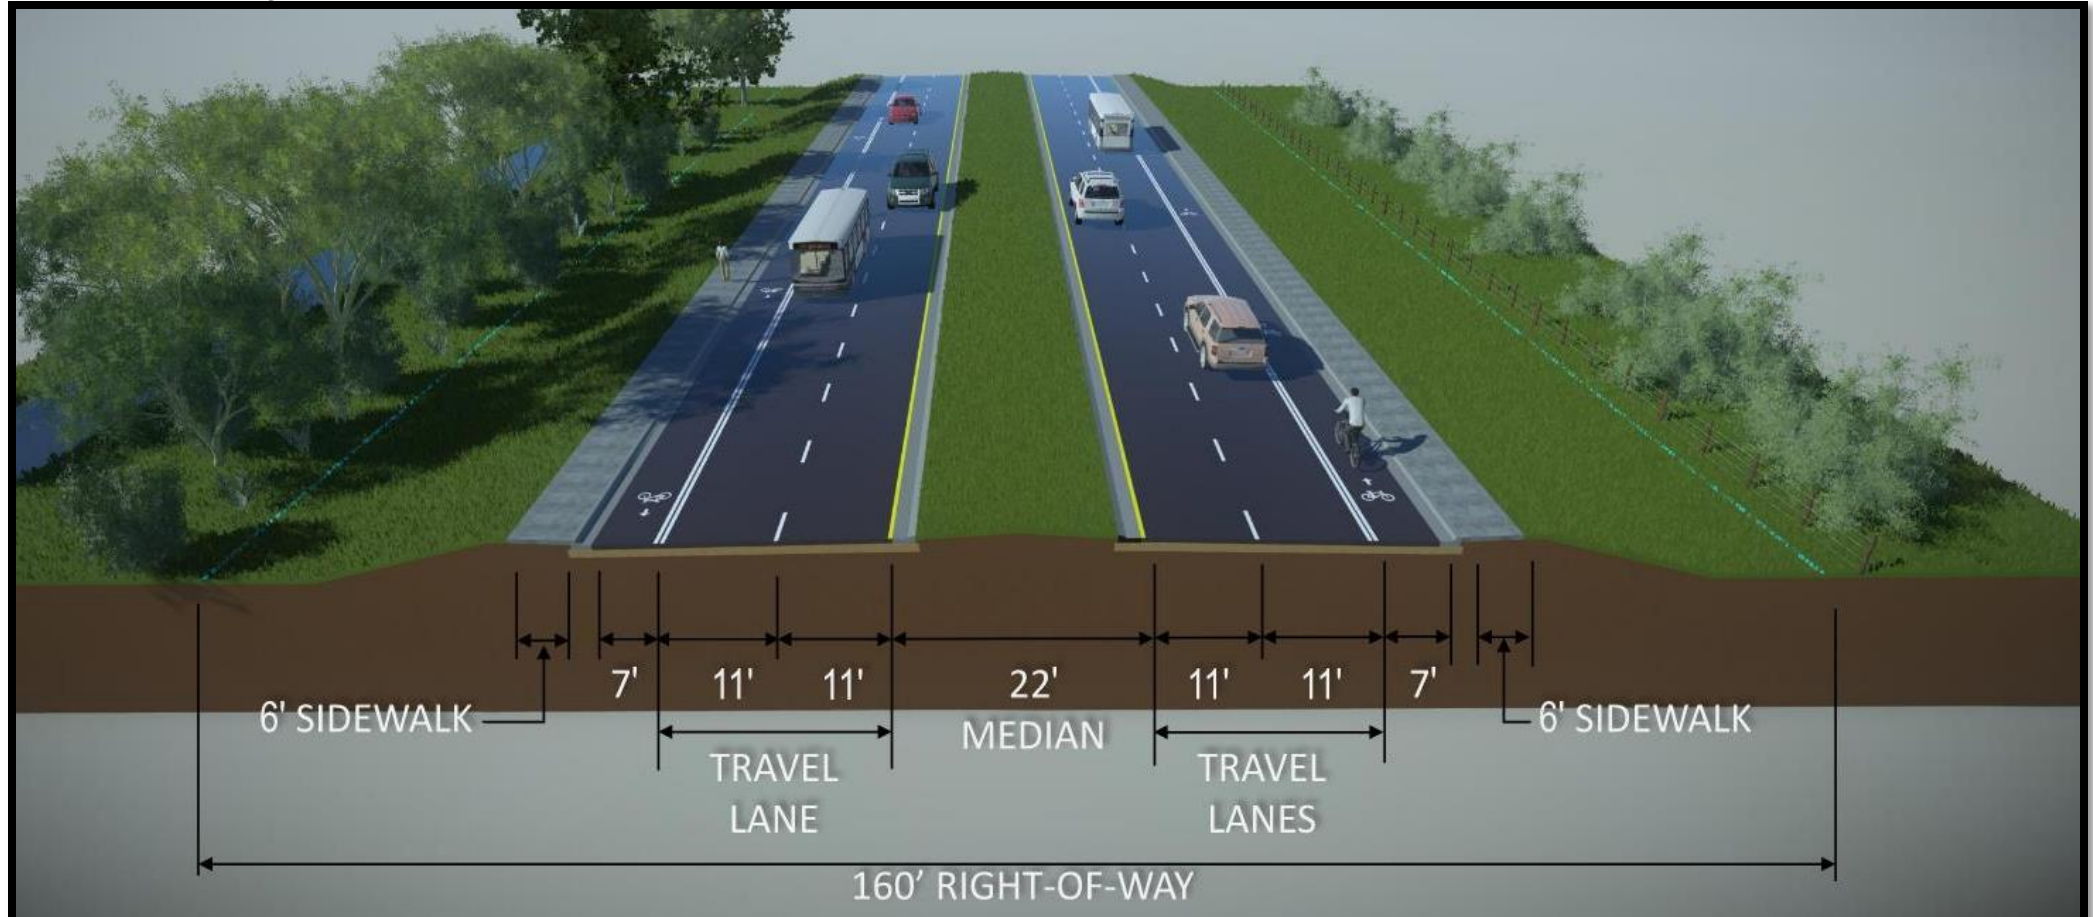

Typical Section – From CR 512 to Mako Way

Proposed Typical Section

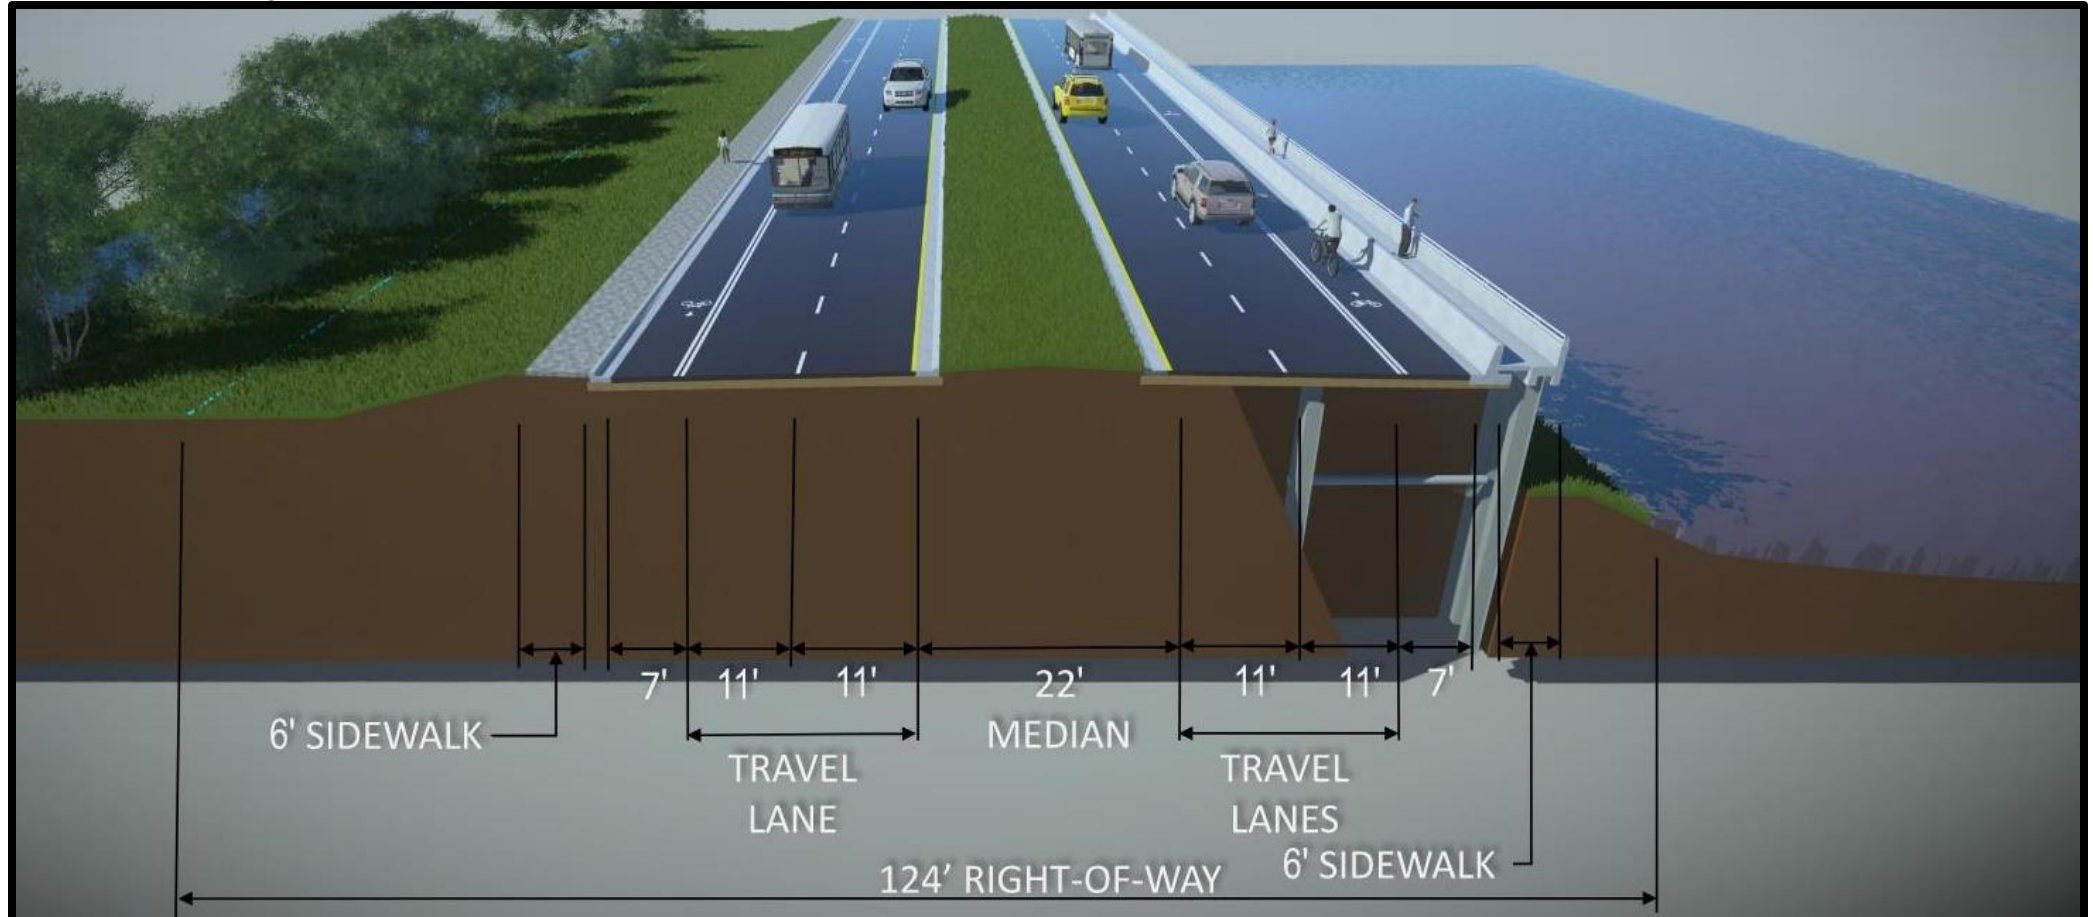

Typical Section – Mako Way to 89th Street

Proposed Typical Section

Typical Section – 89th Street to 87th Street

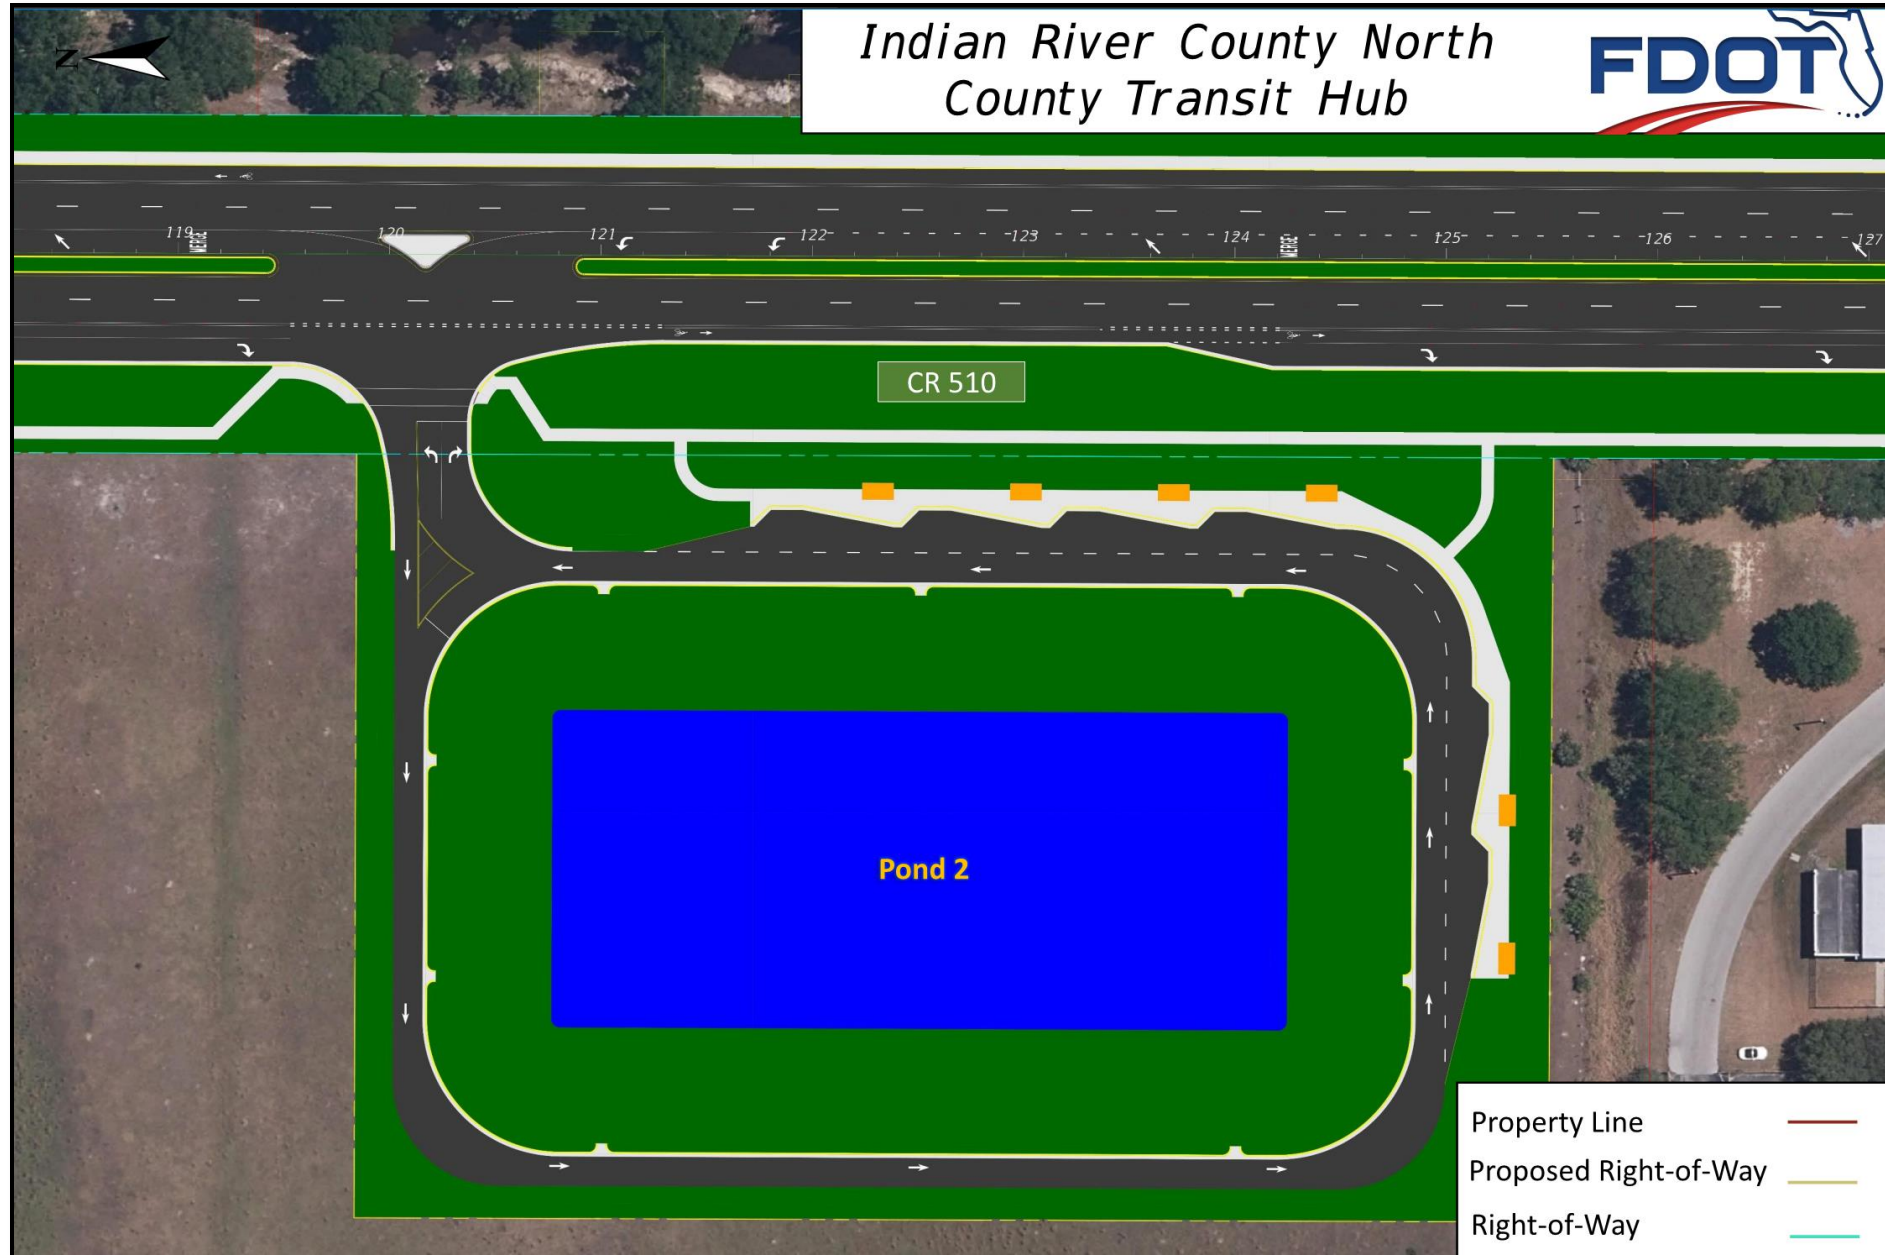

Proposed Typical Section

Proposed Plan

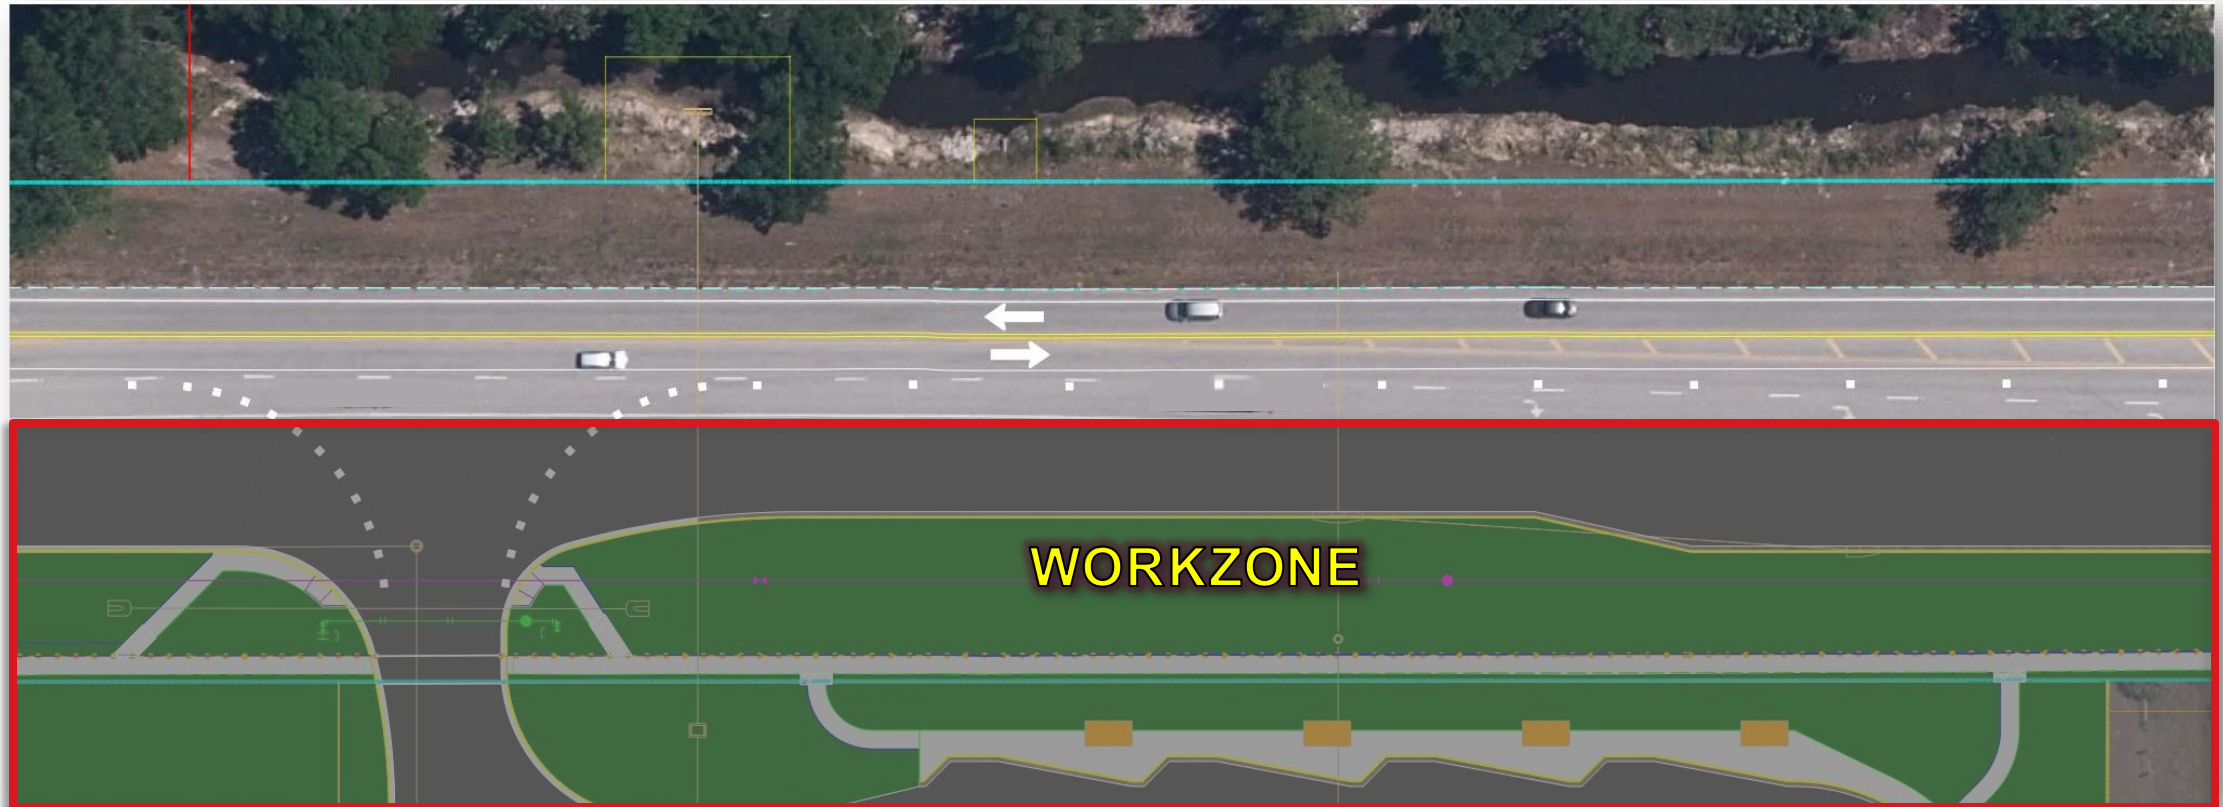

Proposed Transit Transfer Facility

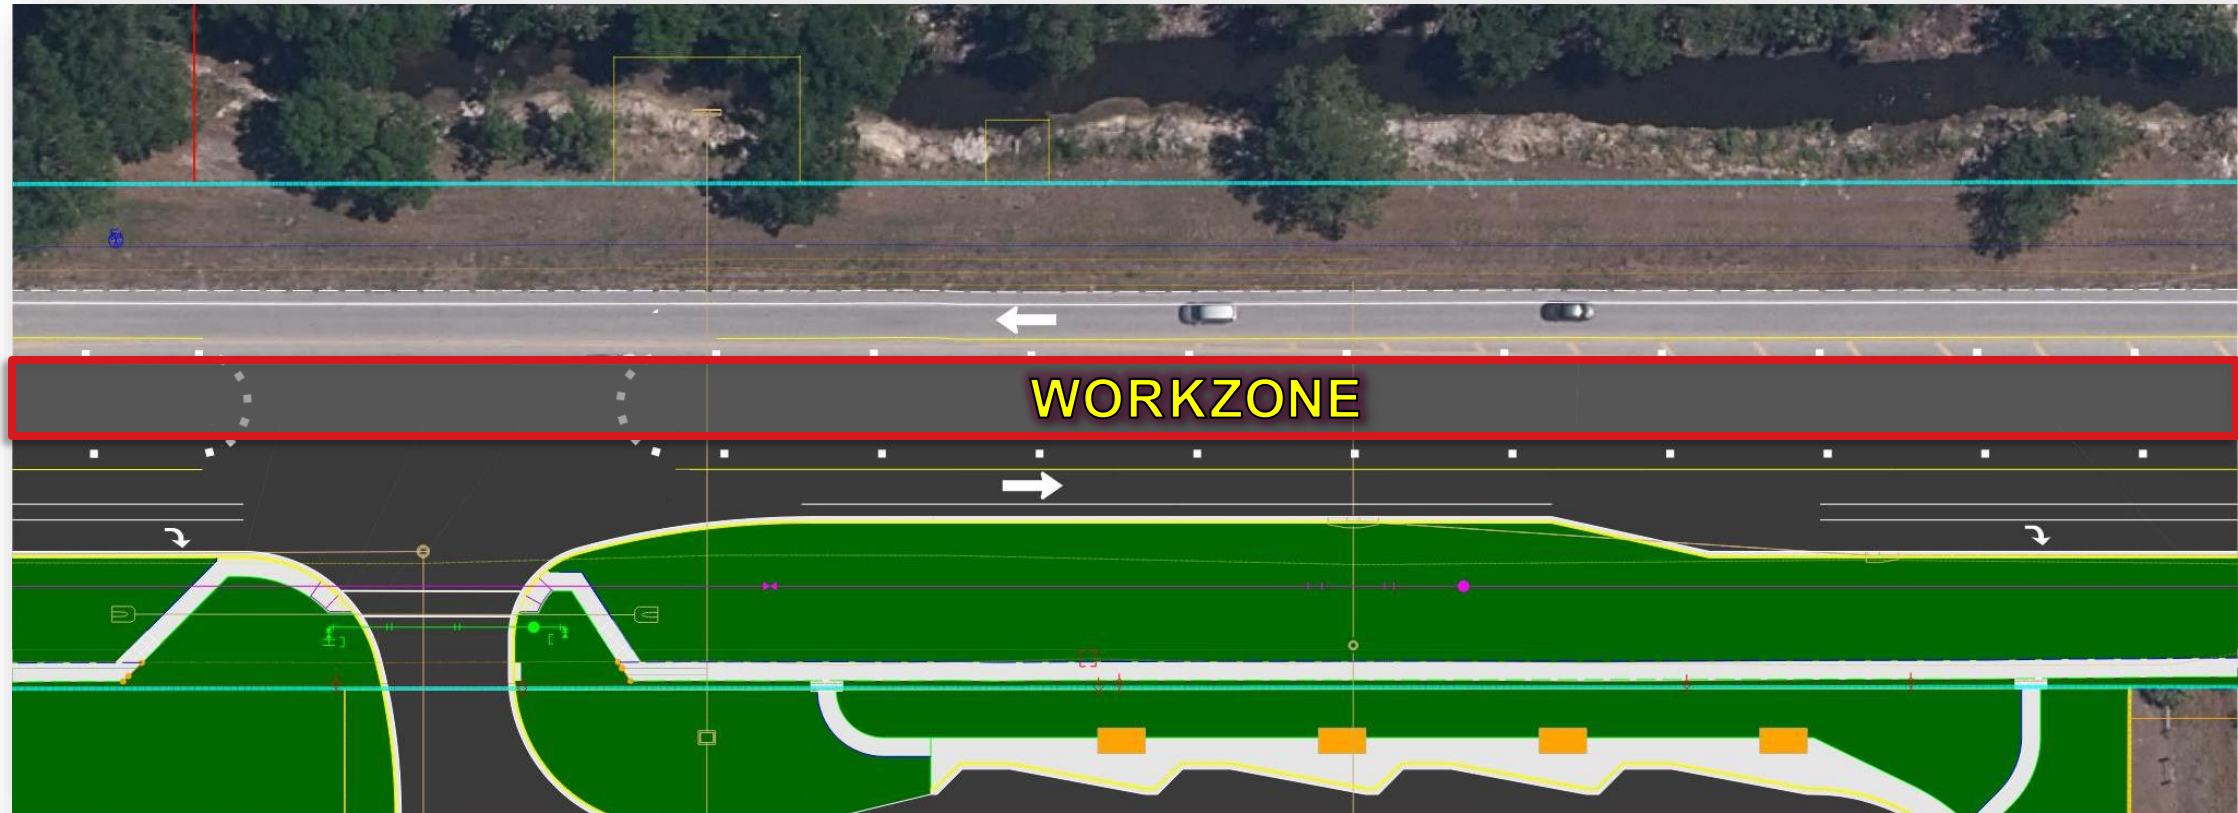

Construction Impacts

- The existing roadway will remain open for travel during the full construction time period.
- Travel lane shifts will be required
- Limited lane closures will occur to allow for traffic to shift between phases.

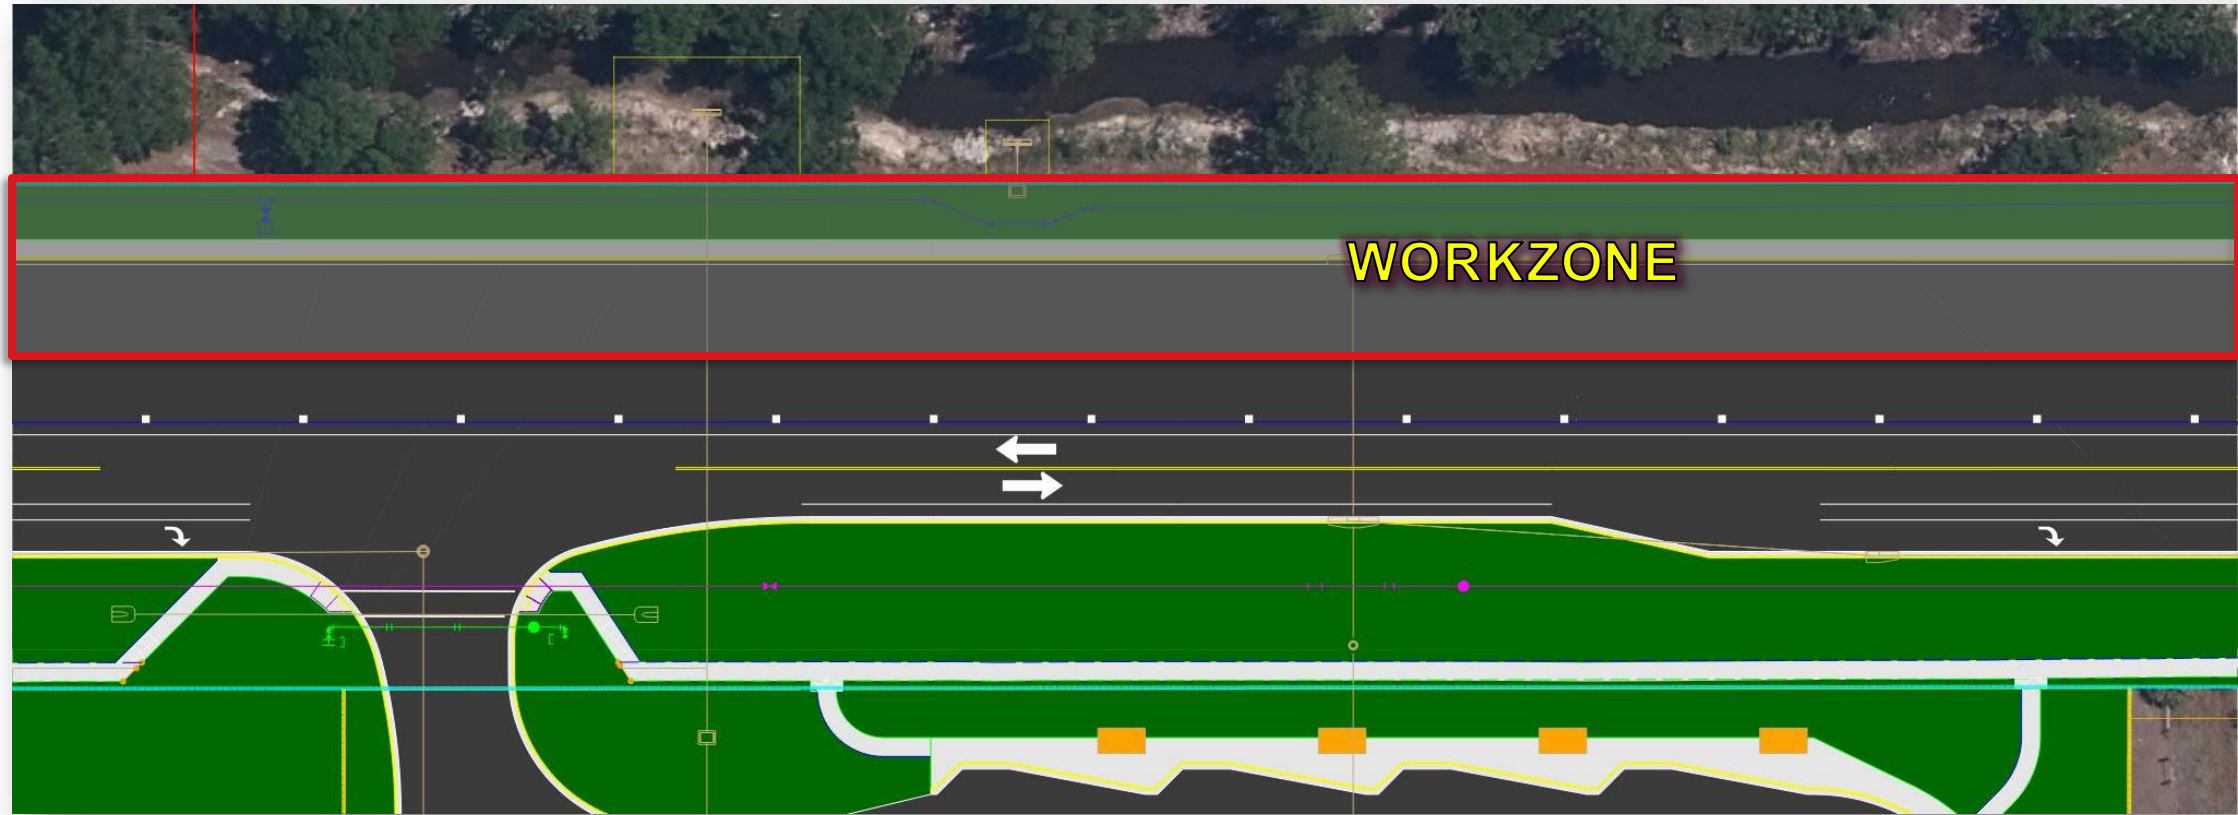

Proposed Traffic Control (Phase I)(East)

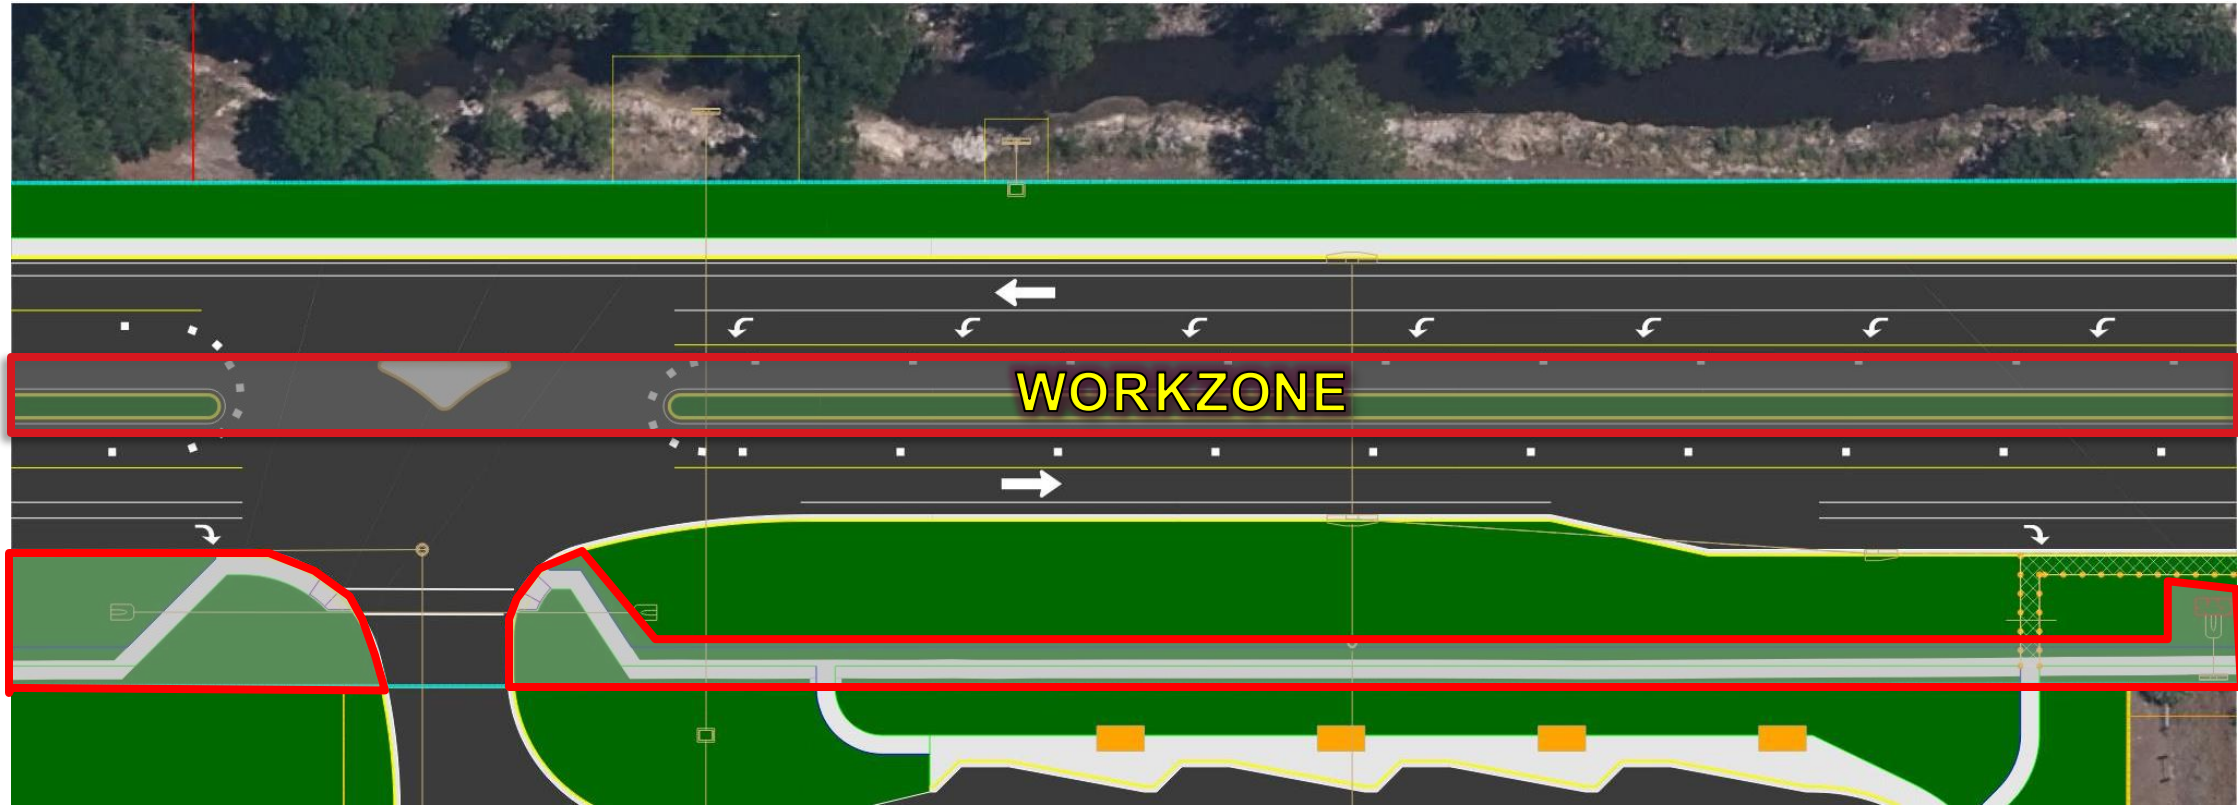

Proposed Traffic Control (Phase II)(East)

Proposed Traffic Control (Phase III)(East)

Proposed Traffic Control (Phase IV)(East)

Project Schedule and Cost

Project Schedule:

Milestones	
Construct Contract Awarded	August 28, 2024
Construction Begins	December 1, 2024
Anticipated Construction Complete	December 31, 2026

Project Construction Cost:

Estimated \$13,038,720

Questions and Answers

Submitting Comments and Questions

Multiple ways to submit:

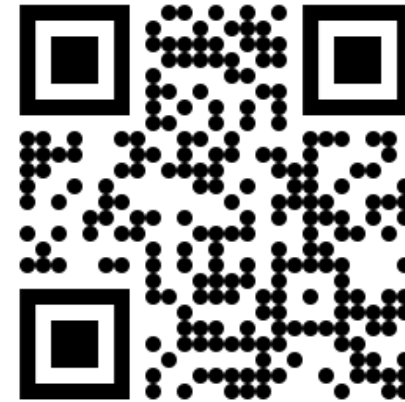

- Online using GoToWebinar
 - *Type your comment/question in the **Question Tab/Box***
- Verbally using the Raise Hand feature on your control panel to be unmuted
- Online at project website
- In-person using Comment Form
- By email to Project Manager
- By U.S. mail to Project Manager
