## FDOT to Host an Alternatives Public Workshop for the CR 713/SW High Meadow Avenue Project Development and Environment (PD&E) Study from I-95 to CR 714/SW Martin Highway

**Martin County, Fla.** – The Florida Department of Transportation (FDOT) is hosting an Alternatives Public Workshop to present different roadway alternatives and obtain feedback regarding the CR 713/SW High Meadow Avenue PD&E Study from I-95 to CR 714/SW Martin Highway.

The virtual Alternatives Public Workshop will be held on **Tuesday, June 25, 2024 at 5:00 p.m.** To participate virtually from your computer, tablet, or smartphone please register using the link: <https://bit.ly/cr713PDEAPW>. Participants can also use their phone by dialing **+1 (562) 247-8422; Access Code: 313-456-823.**

The in-person Alternatives Public Workshop is scheduled for **Thursday, June 27, 2024, at 5:30 p.m.** The meeting will take place at the **Palm City Community Center** located at **2701 SW Cornell Avenue, Palm City, Florida, 34990.**

The public meeting will consist of a formal presentation followed by a question-and-answer session. Staff will be available to answer questions and provide assistance. Comments and questions will be answered in the order received. If your question is not answered during the event, a response will be provided in writing following the meeting. Questions and comments may also be submitted before the meeting by emailing the Project Manager.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Under the provisions of the Americans with Disabilities Act, any person requiring special accommodations should advise the agency at least seven days in advance by contacting the project manager listed below. If you are hearing or speech impaired, please contact the agency using the Florida Relay Service, at 1 (800) 955-8771 (TDD) or 1 (800) 955-8770 (Voice).

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried out by FDOT pursuant to 23 U.S.C. §327 and a Memorandum of Understanding dated May 26, 2022 and executed by FHWA and FDOT.

For more information, please visit the project website at <https://www.fdot.gov/projects/cr713pde> or contact the FDOT Project Manager, Damaris Williams, P.E., at (954) 777-4479, toll-free at (866) 336-8435, ext. 4479, or via email at [Damaris.Williams@dot.state.fl.us](mailto:Damaris.Williams@dot.state.fl.us).

*The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.*
