GENERAL SUBJECT MATTER TO BE CONSIDERED: The Florida Department of Transportation (FDOT) invites you to attend a hybrid public hearing regarding the Tentative Five-Year Work Program for fiscal years 2025 through 2029, on Thursday, October 19, 2023, from 1:00 p.m. – 2:00 p.m. (CDT). The purpose of the tentative work program is to provide direction on where and when to build transportation system improvements. The program is used to forecast funds needed for improvements across all modes of transportation such as roadway, bicycle, pedestrian, freight, trails, transit, aviation, and seaports.

This tentative work program provides proposed transportation projects for the 16 counties in FDOT District Three, which include: Bay, Calhoun, Escambia, Franklin, Gadsden, Gulf, Holmes, Jackson, Jefferson, Leon, Liberty, Okaloosa, Santa Rosa, Wakulla, Walton, and Washington.

This hearing is being held to present information and receive community feedback.

The Department is offering multiple ways for the community to participate in the hearing. All participants, regardless of the

platform they choose, will be presented with the same information.

Virtual Option:

Interested persons may join from a computer, tablet, or mobile device at www.fdot.gov/wpph/district3. Pre-registration is required for the virtual format.

Section VII Notice of Petitions and Dispositions Regarding Declaratory Statements

DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES

Division of Agricultural Environmental Services

NOTICE IS HEREBY GIVEN that Florida Department of Agriculture and Consumer Services, Division of Agricultural Environmental Services has received the petition for declaratory statement from Dr. Faith Oi. The petition seeks the agency's opinion as to the applicability of Section 482.021(11),(17) Florida Statutes as it applies to the petitioner. I seek clarification on whether a pest management professional (PMP) credentialed in GHP can treat the source of an infestation for pests, including but not limited to fire ants and other public health pests, if they harbor away from structures. The current definition of "general household pest control" can be interpreted to mean that treatment can only be done in a structure which can lead to ineffective pest control. For example, killing individual fire ants without treating the colony is ineffective. Ineffective fire ant control has led to high profile litigation. Further, requiring PMPs to obtain lawn and ornamental credentials to treat pests away from structures does not seem logical. Lawn and ornamental credentials are require knowledge of pests of plants in the landscape, including turf, but not pests that harbor in the landscape that can invade structures. (See reference manual, Lawn and Ornamental Pest Management, SM-81).

A copy of the Petition for Declaratory Statement may be obtained by contacting: Donald Hockman Email: Donald.Hockman@fdacs.gov Phone: (850)617-7641.

DEPARTMENT OF HEALTH

Board of Psychology

NOTICE IS HEREBY GIVEN that the Board of Psychology has received the petition for declaratory statement from Dr. Victoria Tomassetti, filed on September 28, 2023. The petition seeks the agency's opinion as to the applicability of Rule 64B19-11.005, Florida Administrative Code, as it applies to the petitioner.

Petitioner seeks the Boards opinion regarding the supervision of postdoctoral trainee(s) who are physically located in the state of Florida and using telehealth to provide psychotherapy to persons who are physically located in the state of Florida at the time of service, as it pertains to the rule. Petitioner seeks clarification of whether Petitioner may provide virtual psychotherapy supervision to Florida-based post-doctoral trainee(s) who will be treating Florida-based residents using telehealth practices exclusively. Except for good cause shown, motions for leave to intervene must be filed within 21 days after publication of this notice.

A copy of the Petition for Declaratory Statement may be obtained by contacting: Allen Hall, Executive Director, Board of Psychology, 4052 Bald Cypress Way, Bin #C05, Tallahassee, Florida 32399-3253, Allen.Hall@flhealth.gov.
