

Ride Smart Florida - Motorcycle Safety Awareness
Florida Department of Transportation - District Six

eblast volume 21.1

MAY IS MOTORCYCLE SAFETY AWARENESS MONTH

TO RIDE SAFE, YOU'LL NEED:

DOT HELMET

EYE PROTECTION

REFLECTIVE CLOTHING

GLOVES & BOOTS

DID YOU KNOW?

The most common motorcycle/motorist crash is at an intersection when a motorist makes a left turn in front of a motorcycle.

THE ROAD IS NOT A RACETRACK

Riding the speed limit may allow other drivers to gauge your speed and distance properly. Give them a chance to see you - give yourself a chance to ride another day.

THANK YOU TO OUR DEDICATED CAMPAIGN PARTNERS
