SUBJECT: ***Standard Plans Interim Revision (IR700-102-1), Special Sign Details***

This bulletin announces the release of ***Standard Plans, Interim Revision IR700-102-1*** and editorial revisions to the ***2021 Traffic Engineering Manual (TEM)*** which updates signs ***FTP-40-06*** and ***FTP-41-06*** within ***Standard Plans, Index 700-102 (Special Sign Details)*** in the ***FY 2021-22 Standard Plans*** and associated references in ***TEM, Section 2.21 (FLORIDA LITTER LAW SIGNS)***.

REQUIREMENTS

Standard Plans, Index 700-102 has been updated and is released as a ***Standard Plans Interim Revision (IR 700-102-1)*** to the ***FY 2021-22 Standard Plans***. The Interim Revision will replace the original version of the Index published on October 30, 2020; therefore, a reference to the Interim Revision is not required on the Key Sheet under the Governing Standard Plans.

This update requires the following editorial changes in **TEM**, ***Section 2.21 (FLORIDA LITTER LAW SIGNS)***:

- References to “***FTP-40-06***” change to “***FTP-40-21***”
- References to “***FTP-41-06***” change to “***FTP-41-21***”
- References to “***FTP-41-04***” change to “***FTP-41-21***”

COMMENTARY

This ***Standard Plans Interim Revision*** is intended to address the update to the Florida Litter Law, Florida Statute 403.413, that increased the minimum civil penalty from \$100 to \$150. This update requires the replacement of sign details for *FTP-40-06* and *FTP-41-06* on ***Standard Plans, Index 700-102***, Sheets 5 and 6 with new sign details *FTP-40-21* and *FTP-41-21*, respectively.

IMPLEMENTATION

This change is effective on projects with a letting on or after July 1, 2021. These requirements may be implemented immediately at the discretion of the Districts.
