Index 509-100 Advance Warning for R/R Crossing

Design Criteria

FDOT Design Manual (FDM); Traffic Engineering Manual (TEM); Manual on Uniform Traffic Control Devices (MUTCD); Federal Railroad Administration; AASHTO Policy on Geometric Design of Highways and Streets, Highway-Rail Crossing Handbook 3rd Edition, AREMA Manual for Railway Engineering

Design Assumptions and Limitations

To be used in conjunction with ***Index 509-070 and 830-T01.***

For highway-railroad crossings on the State Highway System, see ***FDM 220.***

Plan Content Requirements

See ***FDM 940***.

Payment

Item number	Item Description	Unit Measure
509-70-A	Traffic Control Device for Railroad Grade Crossing	EA

See the ***BOE*** and ***Specifications*** for additional information on payment, pay item use and compensation.
