**Phone:** 954-903-8107

**Email:** Benazir.portal@dot.state.fl.us

### COMMENTARY

The 11th edition of the MUTCD now includes Work Zone Bike Warning Signs, which means some MOT signs shown in Index 700-102 can be deleted. Additionally, the 11th edition of the MUTCD includes Temporary Traffic Control Typical Applications for Work in the Vicinity of Bicycle Lanes and Shared Use Paths, which specify what warning signs need to be used and where they should be placed. Consequently, the "BIKE LANE CLOSED AHEAD" plaques (MOT-24-21, MOT-25-21) will no longer be used.

The depictions of FTP-68A-06 and FTP-68B-06 are being updated to more closely depict R10-3f and R10-3i in the MUTCD 11th Edition.

### COMMENTS AND RESPONSES

**BLACK** = Industry Review Comments   **BLUE** = Standard Plans Response   **GREEN** = Change Made to Index

**Name:** Yael Rivera

**Date:** 8/16/24

**COMMENT:** Please consider adding "Stop for Pedestrian in Crosswalks" Sign (as shown in Florida's Highway Regulatory Signs) to the Standard Index for easier referencing the Plans.

**RESPONSE:** Thank you for your comment. That is out of scope for this change but will be considered for future cycles.

**CHANGE MADE TO INDEX:** No.

*Response Date:* 8/29/24
