

Standard Plans Technical Expert List

Standard Plans Index	Index Title	Responsible Office	Technical Contact
000-510	Superelevation Transitions- High Speed Roadways	RDWY Criteria	Roadway Design Criteria Administrator
000-511	Superelevation Transitions- Low Speed Roadways	RDWY Criteria	Roadway Design Criteria Administrator
000-525	Ramp Terminals	RDWY Criteria / Standards	Roadway Design Criteria Administrator / State Standard Plans Engineer
102-100	Temporary Barrier	RDWY Standards	State Standard Plans Engineer
102-110	Type K Temporary Concrete Barrier System	RDWY Standards	State Standard Plans Engineer
102-120	Low Profile Barrier	RDWY Standards	State Standard Plans Engineer
102-600	General Information for Traffic Control Through Work Zones	RDWY Standards	State Standard Plans Engineer
102-601	Two-Lane and Multilane Roadway, Work Beyond the Shoulder	RDWY Standards	State Standard Plans Engineer
102-602	Two-Lane and Multilane, Work on Shoulder	RDWY Standards	State Standard Plans Engineer
102-603	Two-Lane, Two-Way, Work Within the Travel Way	RDWY Standards	State Standard Plans Engineer
102-604	Two-Lane, Two-Way, Intersection Work	RDWY Standards	State Standard Plans Engineer
102-606	Two-Lane Roadway, Lane Closure Using Temporary Traffic Signals	RDWY Standards	State Standard Plans Engineer
102-607	Mobile Operations	RDWY Standards	State Standard Plans Engineer
102-608	Two-Lane, Two-Way, Temporary Diversion Connection	RDWY Standards	State Standard Plans Engineer
102-613	Multilane Roadway, Lane Closures	RDWY Standards	State Standard Plans Engineer
102-615	Multilane Roadway, Intersection Work	RDWY Standards	State Standard Plans Engineer
102-620	Multilane Roadway, Temporary Diversion	RDWY Standards	State Standard Plans Engineer
102-625	Temporary Road Closure	RDWY Standards	State Standard Plans Engineer
102-628	Two-Way Left-Turn Lanes	RDWY Standards	State Standard Plans Engineer
102-655	Traffic Pacing	RDWY Standards	State Standard Plans Engineer
102-660	Sidewalk Closure	RDWY Standards	State Standard Plans Engineer
102-661	Bicycle Facility Closures	RDWY Standards	State Standard Plans Engineer
102-665	Limited Access Temporary Opening	RDWY Standards	State Standard Plans Engineer
102-680	Haul Road Crossing	RDWY Standards	State Standard Plans Engineer
102-200	Temporary Acrow 300 Series Detour Bridge General Notes and Details	SDO Standards	Structures Standard Plans Administrator
102-201	Temporary Acrow 700XS Series Detour Bridge General Notes and Details	SDO Standards	Structures Standard Plans Administrator
102-210	Temporary Detour Bridge Details - Timber Pile Foundations	SDO Standards	Structures Standard Plans Administrator
102-220	Temporary Detour Bridge Details - Steel H Pile Foundations	SDO Standards	Structures Standard Plans Administrator

Standard Plans Technical Expert List

Standard Plans Index	Index Title	Responsible Office	Technical Contact
102-230	Temporary Detour Bridge Details - Steel Pipe Pile Foundations	SDO Standards	Structures Standard Plans Administrator
102-240	Temporary Detour Bridge Thrie-Beam Guardrail	SDO Standards	Structures Standard Plans Administrator
110-100	Tree Protection and Preservation	Landscape	State Transportation Landscape Architect
110-200	Mailboxes	RDWY Standards	State Standard Plans Engineer
120-001	Embankment Utilization	SMO / Geotech	State Geotechnical Materials Engineer / State Geotechnical Engineer
120-002	Subsoil Excavation	SMO / Geotech	State Geotechnical Materials Engineer / State Geotechnical Engineer
125-001	Utility Adjustments thru Existing Pavement	Pavement	State Pavement Design Engineer
141-T01	Settlement Plate	Geotech	State Geotechnical Engineer
160-001	Miscellaneous Earthwork Details	Pavement	State Pavement Design Engineer
330-001	Paved and Graded Driveways	Pavement / RDWY Criteria	State Pavement Design Engineer / Roadway Design Criteria Administrator
350-001	Concrete Pavement Joints	Pavement	State Pavement Design Engineer
353-001	Concrete Slab Replacement	Pavement	State Pavement Design Engineer
370-001	Bridge Approach Expansion Joint - Concrete Pavement	Pavement / SDO Standards	State Pavement Design Engineer / Structures Standard Plans Administrator
400-010	Cantilever Retaining Wall (C-I-P)	SDO Standards	Structures Standard Plans Administrator
400-011	Gravity Wall	SDO Standards	Structures Standard Plans Administrator
400-021	Concrete Steps	RDWY Standards	State Standard Plans Engineer
400-090	Approach Slabs 30ft (Flexible Pavement Approaches)	SDO Standards	Structures Standard Plans Administrator
400-091	Approach Slabs 30ft (Rigid Pavement Approaches)	SDO Standards	Structures Standard Plans Administrator
400-289	Concrete Box Culvert Details	SDO Standards	Structures Standard Plans Administrator
400-291	Precast Concrete Box Culverts Supplemental Details	SDO Standards	Structures Standard Plans Administrator
400-292	Standard Precast Concrete Box Culverts	SDO Standards	Structures Standard Plans Administrator
400-510	Composite Elastomeric Bearing Pads-Prestressed Florida-I & AASHTO Type II Beams	SDO Standards	Structures Standard Plans Administrator
415-001	Bar Bending Details (Steel)	SDO Standards	Structures Standard Plans Administrator
415-010	Bar Bending Details (FRP)	SDO Standards	Structures Standard Plans Administrator
425-001	Supplementary Details for Manholes and Inlets	Drainage	State Drainage Design Engineer
425-010	Structure Bottoms - Type J and P	Drainage	State Drainage Design Engineer
425-020	Curb Inlet Tops - Types 1, 2, 3 and 4	Drainage	State Drainage Design Engineer
425-021	Curb Inlet Tops - Types 5 and 6	Drainage	State Drainage Design Engineer

Standard Plans Technical Expert List

Standard Plans Index	Index Title	Responsible Office	Technical Contact
425-022	Curb Inlet - Type 7	Drainage	State Drainage Design Engineer
425-023	Curb Inlet - Type 8	Drainage	State Drainage Design Engineer
425-024	Curb Inlet Top - Type 9	Drainage	State Drainage Design Engineer
425-025	Curb Inlet Top - Type 10	Drainage	State Drainage Design Engineer
425-030	Median Barrier Inlets Types 1 and 2	Drainage	State Drainage Design Engineer
425-031	Barrier Wall Inlet	Drainage	State Drainage Design Engineer
425-032	Concrete Barrier Wall Inlet	Drainage	State Drainage Design Engineer
425-040	Gutter Inlet - Type S	Drainage	State Drainage Design Engineer
425-041	Gutter Inlet - Type V	Drainage	State Drainage Design Engineer
425-050	Ditch Bottom Inlet - Type A	Drainage	State Drainage Design Engineer
425-051	Ditch Bottom Inlet - Type B	Drainage	State Drainage Design Engineer
425-052	Ditch Bottom Inlet - Type C, D, E and H	Drainage	State Drainage Design Engineer
425-053	Ditch Bottom Inlet - Type F and G	Drainage	State Drainage Design Engineer
425-054	Ditch Bottom Inlet - Type J	Drainage	State Drainage Design Engineer
425-055	Ditch Bottom Inlet - Type K	Drainage	State Drainage Design Engineer
425-060	Back of Sidewalk Drainage	Drainage	State Drainage Design Engineer
425-061	Closed Flume Inlet	Drainage	State Drainage Design Engineer
425-070	Skimmer For Outlet Control Structures	Drainage	State Drainage Design Engineer
425-080	Utility Conflicts thru Drainage Structures	Drainage	State Drainage Design Engineer
425-090	Safety Modifications for Inlets in Box Culverts	Drainage	State Drainage Design Engineer
430-001	Miscellaneous Drainage Details	Drainage	State Drainage Design Engineer
430-010	U-Type Concrete Endwalls With Grates - 15" to 30" Pipe	Drainage	State Drainage Design Engineer
430-011	U-Type Concrete Endwalls-Baffles and Grate Optional - 15" To 30" Pipe	Drainage	State Drainage Design Engineer
430-012	U-Type Concrete Endwall-Energy Dissipator - 30" to 72" Pipe	Drainage	State Drainage Design Engineer
430-020	Flared End Section	Drainage	State Drainage Design Engineer
430-021	Cross Drain Mitered End Section	Drainage	State Drainage Design Engineer
430-022	Side Drain Mitered End Section	Drainage	State Drainage Design Engineer
430-030	Straight Concrete Endwalls - Single And Multiple Pipe	Drainage	State Drainage Design Engineer

Standard Plans Technical Expert List

Standard Plans Index	Index Title	Responsible Office	Technical Contact
430-031	Straight Concrete Endwalls - Single And Double 60" Pipe	Drainage	State Drainage Design Engineer
430-032	Straight Concrete Endwalls - Single And Double 66" Pipe	Drainage	State Drainage Design Engineer
430-033	Straight Concrete Endwalls - Single And Double 72" Pipe	Drainage	State Drainage Design Engineer
430-034	Straight Concrete Endwalls - Single 84" Pipe	Drainage	State Drainage Design Engineer
430-040	Winged Concrete Endwalls - Single Round Pipe	Drainage	State Drainage Design Engineer
430-090	Safety Modifications for Endwalls	Drainage	State Drainage Design Engineer
436-001	Trench Drain	Drainage	State Drainage Design Engineer
440-001	Underdrain	Drainage	State Drainage Design Engineer
440-002	Underdrain Inspection Box	Drainage	State Drainage Design Engineer
443-001	French Drain	Drainage	State Drainage Design Engineer
443-002	Skimmers For French-Drain Outlets	Drainage	State Drainage Design Engineer
444-T01	Deep Well Injection Box	Drainage	State Drainage Design Engineer
446-001	Concrete Pavement Subdrainage	Drainage	State Drainage Design Engineer
450-010	Typical Florida-I Beam Details and Notes	SDO Standards	Structures Standard Plans Administrator
450-036	Florida-I 36 Beam - Standard Details	SDO Standards	Structures Standard Plans Administrator
450-045	Florida-I 45 Beam - Standard Details	SDO Standards	Structures Standard Plans Administrator
450-054	Florida-I 54 Beam - Standard Details	SDO Standards	Structures Standard Plans Administrator
450-063	Florida-I 63 Beam - Standard Details	SDO Standards	Structures Standard Plans Administrator
450-072	Florida-I 72 Beam - Standard Details	SDO Standards	Structures Standard Plans Administrator
450-078	Florida-I 78 Beam - Standard Details	SDO Standards	Structures Standard Plans Administrator
450-084	Florida-I 84 Beam - Standard Details	SDO Standards	Structures Standard Plans Administrator
450-096	Florida-I 96 Beam - Standard Details	SDO Standards	Structures Standard Plans Administrator
450-120	AASHTO Type II Beam	SDO Standards	Structures Standard Plans Administrator
450-199	Prestressed I-Beams Build-Up & Deflection Data	SDO Standards	Structures Standard Plans Administrator
450-210	Florida-U Beam - Typical Details and Notes	SDO Standards	Structures Standard Plans Administrator
450-248	Florida-U 48 Beam - Standard Details	SDO Standards	Structures Standard Plans Administrator
450-254	Florida-U 54 Beam - Standard Details	SDO Standards	Structures Standard Plans Administrator
450-263	Florida-U 63 Beam - Standard Details	SDO Standards	Structures Standard Plans Administrator

Standard Plans Technical Expert List

Standard Plans Index	Index Title	Responsible Office	Technical Contact
450-272	Florida-U 72 Beam - Standard Details	SDO Standards	Structures Standard Plans Administrator
450-299	Florida-U Beams Build-Up and Deflection Data	SDO Standards	Structures Standard Plans Administrator
450-502	Beveled Bearing Plate Details - Prestressed Florida-U Beams	SDO Standards	Structures Standard Plans Administrator
450-450	Florida Slab Beam Typical Details and Notes	SDO Standards	Structures Standard Plans Administrator
450-451	12" Florida Slab Beam	SDO Standards	Structures Standard Plans Administrator
450-452	15" Florida Slab Beam	SDO Standards	Structures Standard Plans Administrator
450-453	18" Florida Slab Beam	SDO Standards	Structures Standard Plans Administrator
450-511	Bearing Plates (Type I) - Prestressed Florida-I & AASHTO Type II Beams	SDO Standards	Structures Standard Plans Administrator
450-512	Bearing Plates (Type 2) - Prestressed Florida-I & AASHTO Type II Beams	SDO Standards	Structures Standard Plans Administrator
455-001	Square Prestressed Concrete Piles- Typical Details and Notes	SDO Standards	Structures Standard Plans Administrator
455-002	Square Prestressed Concrete Pile Splices	SDO Standards	Structures Standard Plans Administrator
455-003	Square Prestressed Concrete Piles - EDC Instrumentation	SDO Standards	Structures Standard Plans Administrator
455-012	12" Square Prestressed Concrete Pile	SDO Standards	Structures Standard Plans Administrator
455-014	14" Square Prestressed Concrete Pile	SDO Standards	Structures Standard Plans Administrator
455-018	18" Square Prestressed Concrete Pile	SDO Standards	Structures Standard Plans Administrator
455-024	24" Square Prestressed Concrete Pile	SDO Standards	Structures Standard Plans Administrator
455-030	30" Square Prestressed Concrete Pile	SDO Standards	Structures Standard Plans Administrator
455-031	30" Square Prestressed Concrete Pile - High Moment Capacity	SDO Standards	Structures Standard Plans Administrator
455-054	54" Precast / Post- Tensioned Concrete Cylinder Pile	SDO Standards	Structures Standard Plans Administrator
455-060	60" Prestressed Concrete Cylinder Pile	SDO Standards	Structures Standard Plans Administrator
455-101	Square CFRP & SS Prestressed Concrete Piles - Typical Notes and Details	SDO Standards	Structures Standard Plans Administrator
455-102	Square CFRP and SS Prestressed Concrete Pile Splices	SDO Standards	Structures Standard Plans Administrator
455-112	12" Square CFRP and SS Prestressed Concrete Pile	SDO Standards	Structures Standard Plans Administrator
455-114	14" Square CFRP and SS Prestressed Concrete Pile	SDO Standards	Structures Standard Plans Administrator
455-118	18" Square CFRP and SS Prestressed Concrete Pile	SDO Standards	Structures Standard Plans Administrator
455-124	24" Square CFRP and SS Prestressed Concrete Pile	SDO Standards	Structures Standard Plans Administrator
455-130	30" Square CFRP and SS Prestressed Concrete Pile	SDO Standards	Structures Standard Plans Administrator
455-154	54" Precast / Post-Tensioned CFRP and SS Concrete Cylinder Pile	SDO Standards	Structures Standard Plans Administrator

Standard Plans Technical Expert List

Standard Plans Index	Index Title	Responsible Office	Technical Contact
455-160	60" Prestressed CFRP and SS Concrete Cylinder Pile	SDO Standards	Structures Standard Plans Administrator
455-400	Precast Concrete Sheet Pile Wall (Coventional)	SDO Standards	Structures Standard Plans Administrator
455-440	Precast Concrete Sheet Pile Wall (CFRP/GFRP & HSSS/GFRP)	SDO Standards	Structures Standard Plans Administrator
458-100	Expansion Joint System - Strip Seal	SDO Standards	Structures Standard Plans Administrator
458-110	Expansion Joint System - Poured Joint With Backer Rod	SDO Standards	Structures Standard Plans Administrator
460-250	Access Hatch Assembly For Steel Box Sections	SDO Standards	Structures Standard Plans Administrator
460-251	Access Hatch Assembly For Concrete Box Sections	SDO Standards	Structures Standard Plans Administrator
460-252	Access Door Assembly for Steel Box Sections	SDO Standards	Structures Standard Plans Administrator
460-470	Traffic Railing - (Thrie-Beam Retrofit) General Note & Details	SDO Standards	Structures Standard Plans Administrator
460-471	Traffic Railing - (Thrie-Beam Retrofit) Narrow Curb	SDO Standards	Structures Standard Plans Administrator
460-472	Traffic Railing - (Thrie-Beam Retrofit) Wide Strong Curb Type 1	SDO Standards	Structures Standard Plans Administrator
460-473	Traffic Railing - (Thrie-Beam Retrofit) Wide Strong Curb Type 2	SDO Standards	Structures Standard Plans Administrator
460-474	Traffic Railing - (Thrie-Beam Retrofit) Intermediate Curb	SDO Standards	Structures Standard Plans Administrator
460-475	Traffic Railing - (Thrie-Beam Retrofit) Wide Curb Type 1	SDO Standards	Structures Standard Plans Administrator
460-476	Traffic Railing - (Thrie-Beam Retrofit) Wide Curb Type 2	SDO Standards	Structures Standard Plans Administrator
460-477	Thrie-Beam Panel Retrofit (Concrete Handrail)	SDO Standards	Structures Standard Plans Administrator
460-490	Traffic Railing - (Rectangular Tube Retrofit)	SDO Standards	Structures Standard Plans Administrator
462-001	Post-Tensioning Tendon Profiles	SDO Standards	Structures Standard Plans Administrator
462-002	Post-Tensioning Anchorage Protection	SDO Standards	Structures Standard Plans Administrator
462-003	Post-Tensioning Anchorage and Grouting Details	SDO Standards	Structures Standard Plans Administrator
471-030	Fender System - Prestressed Concrete Piles and FRP Wales	SDO Standards	Structures Standard Plans Administrator
508-T01	Traffic Control Devices For Movable Span Bridge Signals	Traffic Ops	State Traffic Services Program Engineer
509-070	Railroad Grade Crossing Traffic Control Devices	FMOO / Traffic Ops	Freight and Multimodal Operations Manager / State Traffic Services Program Engineer
509-100	Advance Warning For R / R Crossing	FMOO / Traffic Ops	Freight and Multimodal Operations Manager / State Traffic Services Program Engineer
510-001	Navigation Light System Details (Fixed Bridges)	SDO Standards	Structures Standard Plans Administrator
515-021	Pedestrian / Bicycle Bullet Railing for Traffic Railing	SDO Standards	Structures Standard Plans Administrator
515-022	Pedestrian / Bicycle Bullet Railing Details	SDO Standards	Structures Standard Plans Administrator
515-051	Bridge Pedestrian / Bicycle Railing (Steel)	SDO Standards	Structures Standard Plans Administrator

Standard Plans Technical Expert List

Standard Plans Index	Index Title	Responsible Office	Technical Contact
515-052	Pedestrian / Bicycle Railing (Steel)	RDWY / SDO Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
515-061	Bridge Pedestrian / Bicycle Railing (Aluminum)	SDO Standards	Structures Standard Plans Administrator
515-062	Pedestrian / Bicycle Railing (Aluminum)	RDWY / SDO Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
515-070	Pipe Guiderail (Aluminum)	RDWY / SDO Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
515-080	Pipe Guiderail (Steel)	RDWY / SDO Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
520-001	Curb & Curb and Gutter	RDWY Standards	State Standard Plans Engineer
520-005	Concrete Shoulder Gutter Spillway	Drainage	State Drainage Design Engineer
520-010	Median Opening Flume	Drainage	State Drainage Design Engineer
520-020	Traffic Separators	RDWY Standards	State Standard Plans Engineer
521-001	Concrete Barrier	RDWY Standards	State Standard Plans Engineer
521-002	Pier Protection Barrier	RDWY Standards	State Standard Plans Engineer
521-010	Opaque Visual Barrier	RDWY Standards	State Standard Plans Engineer
521-404	Guardrail Transitions - Existing Post & Beam Bridge Railings (Narrow & Recessed Curbs)	SDO Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
521-405	Guardrail Transitions - Existing Post & Beam Bridge Railings (Wide Curbs)	SDO Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
521-422	Traffic Railing - (42" Vertical Shape)	SDO Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
521-423	Traffic Railing - (32" Vertical Shape)	SDO Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
521-426	Traffic Railing - (Median 36" Single-Slope)	SDO Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
521-427	Traffic Railing - (36" Single-Slope)	SDO Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
521-428	Traffic Railing - (42" Single-Slope)	SDO Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
521-480	Traffic Railing - (Vertical Face Retrofit) Typical Details and Notes	SDO Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
521-481	Traffic Railing - (Vertical Face Retrofit) Narrow Curb	SDO Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
521-482	Traffic Railing - (Vertical Face Retrofit) Wide Curb	SDO Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
521-483	Traffic Railing - (Vertical Face Retrofit) Intermediate Curb	SDO Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
521-484	Traffic Railing - (Vertical Face Retrofit) Spread Footing Approach	SDO Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
521-509	Traffic Railing / Noise Wall (8'-0") - Bridge	SDO Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
521-510	Concrete Barrier / Noise Wall (8'-0")	SDO Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
521-511	Concrete Barrier / Noise Wall (14'-0")	SDO Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
521-512	Concrete Barrier / Noise Wall (8'-0") Junction Slab	SDO Standards	Structures Standard Plans Administrator / State Standard Plans Engineer

Standard Plans Technical Expert List

Standard Plans Index	Index Title	Responsible Office	Technical Contact
521-513	Concrete Barrier / Noise Wall T-Shaped Spread Footing	SDO Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
521-514	Concrete Barrier / Noise Wall L-Shaped Spread Footing	SDO Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
521-515	Concrete Barrier / Noise Wall Trench Footing	SDO Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
521-600	MSE Wall Coping (Precast or C-I-P)	SDO Standards	Structures Standard Plans Administrator
521-610	Wall Coping With Traffic Railing / Junction Slab	SDO Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
521-611	Concrete Barrier/Junction Slab - Wall Coping (FRP)	SDO Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
521-620	Wall Coping With Traffic Railing / Raised Sidewalk	SDO Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
521-630	Wall Coping / Parapet With C-I-P Sidewalk	SDO Standards	Structures Standard Plans Administrator
521-640	Junction Slab at Drainage Inlet Openings	SDO Standards	Structures Standard Plans Administrator
521-650	Coping Mounted Light Pole Pedestal	SDO Standards	Structures Standard Plans Administrator
521-660	Light Pole Pedestal - Bridge	SDO Standards	Structures Standard Plans Administrator
521-820	27" Concrete Parapet Pedestrian / Bicycle with Bullet Railing	SDO Standards	Structures Standard Plans Administrator
521-825	42" Concrete Pedestrian / Bicycle Railing	SDO Standards	Structures Standard Plans Administrator
522-001	Concrete Sidewalk	RDWY Standards	State Standard Plans Engineer
522-002	Detectable Warnings and Sidewalk Curb Ramps	RDWY Standards	State Standard Plans Engineer
522-003	Concrete Flared Driveways	RDWY Standards	State Standard Plans Engineer
524-001	Ditch Pavement and Sodding	Drainage	State Drainage Design Engineer
534-200	Noise Walls (Precast)	SDO Standards	Structures Standard Plans Administrator
534-250	Perimeter Walls	SDO Standards	Structures Standard Plans Administrator
536-001	Guardrail	RDWY Standards	State Standard Plans Engineer
536-002	Guardrail Transitions and Connections for Existing Bridges	RDWY Standards	State Standard Plans Engineer
544-001	Crash Cushion Transition Details	RDWY Standards	State Standard Plans Engineer
546-001	Raised Rumble Strips	RDWY Standards	State Standard Plans Engineer
546-010	Ground-In Rumble Strips - Limited Access	RDWY Standards	State Standard Plans Engineer
546-020	Ground-In Rumble Strips - Arterials and Collectors	RDWY Standards	State Standard Plans Engineer
548-020	MSE Retaining Wall Systems (Permanent)	SDO Standards	Structures Standard Plans Administrator
548-030	MSE Retaining Wall Systems (Temporary)	SDO Standards	Structures Standard Plans Administrator
550-001	Fence - Type A	RDWY Standards	State Standard Plans Engineer

Standard Plans Technical Expert List

Standard Plans Index	Index Title	Responsible Office	Technical Contact
550-002	Fence - Type B	RDWY Standards	State Standard Plans Engineer
550-003	Cantilever Slide Gate - Type B Fence	RDWY Standards	State Standard Plans Engineer
550-004	Fence Location	RDWY Standards	State Standard Plans Engineer
550-010	Bridge Fencing (Vertical)	SDO Standards	Structures Standard Plans Administrator
550-011	Bridge Fencing (Curved Top)	SDO Standards	Structures Standard Plans Administrator
550-012	Bridge Fencing (Enclosed)	SDO Standards	Structures Standard Plans Administrator
550-013	Bridge Fencing (Over Railroad)	SDO Standards	Structures Standard Plans Administrator
570-001	Permanent Erosion Control	Drainage	State Drainage Design Engineer
570-010	Shoulder Sodding and Turf on Existing Facilities	Drainage	State Drainage Design Engineer
580-001	Landscape Installation	Landscape	State Transportation Landscape Architect
591-001	Landscape Irrigation Sleeves	Landscape	State Transportation Landscape Architect
630-001	Conduit Installation Details	Traffic Ops / RDWY Standards	State Traffic Services Program Engineer / State Standard Plans Engineer
630-010	Conduit Details - Embedded	Traffic Ops / SDO Standards	State Traffic Services Program Engineer / Structures Standard Plans Administrator
634-001	Signal Cable & Span Wire Installation Details	Traffic Ops / SDO Standards	State Traffic Services Program Engineer / Structures Standard Plans Administrator
634-002	Aerial Interconnect	Traffic Ops / SDO Standards	State Traffic Services Program Engineer / Structures Standard Plans Administrator
635-001	Pull & Splice Box	Traffic Ops / RDWY Standards	State Traffic Services Program Engineer / State Standard Plans Engineer
639-001	Service Point Details	Traffic Ops / RDWY Standards	State Traffic Services Program Engineer / State Standard Plans Engineer
639-002	Electrical Power Service	Traffic Ops / RDWY Standards	State Traffic Services Program Engineer / State Standard Plans Engineer
641-010	Concrete Poles	SDO / RDWY Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
641-020	Concrete CCTV Pole	Traffic Ops / SDO Standards	State TSM&O Program Engineer / Structures Standard Plans Administrator
646-001	Aluminum Post and Pedestal Mounted Pedestrian Detectors and Signals	Traffic Ops / RDWY Standards	State Traffic Services Program Engineer / State Standard Plans Engineer
649-010	Steel Strain Pole	SDO / RDWY Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
649-020	Steel CCTV Pole	Traffic Ops / SDO Standards	State TSM&O Program Engineer / Structures Standard Plans Administrator
649-030	Standard Mast Arm Assemblies	SDO / RDWY Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
649-031	Mast Arm Assemblies	SDO / RDWY Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
653-001	Pedestrian Control Signal Installation Details	Traffic Ops / RDWY Standards	State Traffic Services Program Engineer / State Standard Plans Engineer
654-001	Rectangular Rapid Flashing Beacon Assembly	Traffic Ops / RDWY Standards	State Traffic Services Program Engineer / State Standard Plans Engineer
659-010	Span Wire Mounted Sign Details	Traffic Ops / SDO Standards	State Traffic Services Program Engineer / Structures Standard Plans Administrator

Standard Plans Technical Expert List

Standard Plans Index	Index Title	Responsible Office	Technical Contact
659-020	Camera Mounting Details	Traffic Ops	State TSM&O Program Engineer
660-001	Vehicle Loop Installation Details	Traffic Ops	State TSM&O Program Engineer
665-001	Pedestrian Detector Assembly Installation Details	Traffic Ops / RDWY Standards	State Traffic Services Program Engineer / State Standard Plans Engineer
671-001	Standard Signal Operating Plans	Traffic Ops	State Traffic Services Program Engineer
676-010	Cabinet Installation Details	Traffic Ops / RDWY Standards	State Traffic Services Program Engineer / State Standard Plans Engineer
695-001	Traffic Monitoring Site	TMP / Traffic Ops	Transportation Monitoring Program Manager / State Traffic Services Program Engineer
700-010	Single Column Ground Signs	SDO / RDWY Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
700-011	Single Column Cantilever Ground Mounted Sign	SDO / RDWY Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
700-012	Single Post Sign Support Barrier Side-Mounted	SDO / RDWY Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
700-013	Single Post Sign Support Barrier Top-Mounted	SDO / RDWY Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
700-020	Multi-Column Ground Sign	SDO / RDWY Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
700-030	Wind and Hanger Beams for Overhead Signs	SDO / RDWY Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
700-031	External Lighting For Signs	SDO / RDWY Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
700-040	Cantilever Sign Structure	SDO / RDWY Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
700-041	Span Sign Structure	SDO / RDWY Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
700-050	Free-Swinging Internally-Illuminated Street Sign Assemblies	RDWY Standards	State Standard Plans Engineer
700-090	Dynamic Message Sign Walk-In	Traffic Ops	State TSM&O Program Engineer
700-091	Catwalk Details	SDO / RDWY Standards	Structures Standard Plans Administrator / State Standard Plans Engineer
