

Exhibit 14-A Sample Request Letter for Design Exception or Variation

TO: _____

DATE: _____

SUBJECT: ☐ DESIGN EXCEPTION or ☐ DESIGN VARIATION

Local road number or street name: _____

Project description (limits): _____

Type construction (new, rehabilitation, adding lanes, resurfacing, etc.) _____

Design Speed: _____

State and/or Federal road number (if applicable): _____

FDOT Financial Project ID No. (if applicable): _____

DESIGN EXCEPTION OR VARIATION FOR THE FOLLOWING ELEMENT:

- | | | |
|-----------------------------|--|----------------------|
| () Design Speed | () Stopping Sight Distance | () Other (explain): |
| () Lane Width | () Maximum Grade | _____ |
| () Shoulder Width | () Cross Slope | _____ |
| () Horizontal Curve Radius | () Vertical Clearance | |
| () Superelevation Rate | () Design Loading Structural Capacity | |

Include a brief statement concerning the project and items of concern.

Attach all supporting documentation to this exhibit in accordance with Chapter 14, Florida Greenbook.

Recommended by: _____
(Responsible Professional Engineer)

Approval: _____
(Maintaining Authority's Professional Engineer or Designee)

Concurrence: _____
FDOT (if applicable)

Concurrence: _____
FHWA (if applicable)
