

## District 4

### Studies and Design Projects

### Funded for Construction

### User Guide

#### Helpful Notes:

- Groups of tools are found in the upper-left corner of the map (Near the FDOT Logo)

Navigation buttons are in the upper-left corner.

**Zoom in (+) / out (-)** (you can also zoom with the mouse scroll-wheel)

**Home** button that returns you to the default zoom level

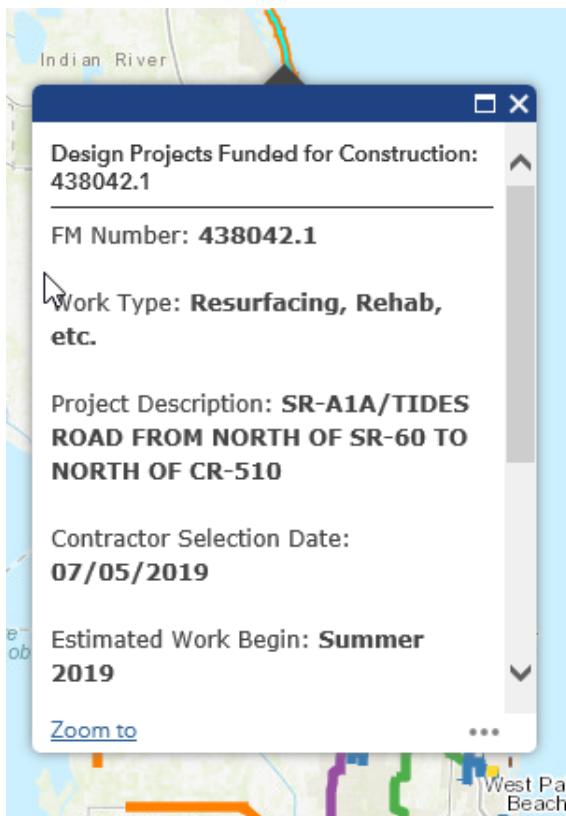

**Track my location** (Enables GPS on a mobile device)

- **Address Search**

You can type an address into the Address Search bar (*3400 W Commercial Blvd, Fort Lauderdale, FL, 33309, USA*) & zoom to that location to easily identify any projects in proximity to that location.

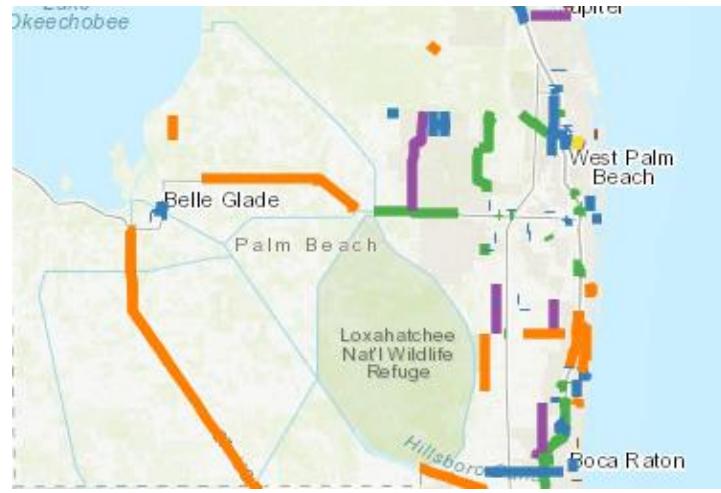

- **Pan** You can Pan the map by left clicking & dragging the map.
- **HTML Pop-ups**

You can see detail information about a feature on the map by left clicking on it to open an HTML Pop-up window.

- **Map Layers List** is found in the upper-right corner. The layer list initially opens with the application to allow you to toggle on / off layers you are interested in seeing on the map.
  - **Design Projects Funded for Construction** (*A Study approved project having completed the Design Phase is funded & ready for construction*)
    - displays as unique color solid lines based on work type

#### Design Projects Funded for Construction

- **Studies** (*A Study is conducted Pre-Design Phase to ensure the project meets the requirements of the National Environmental Policy Act*)
  - displays as unique color dashed lines based on work type

#### Studies

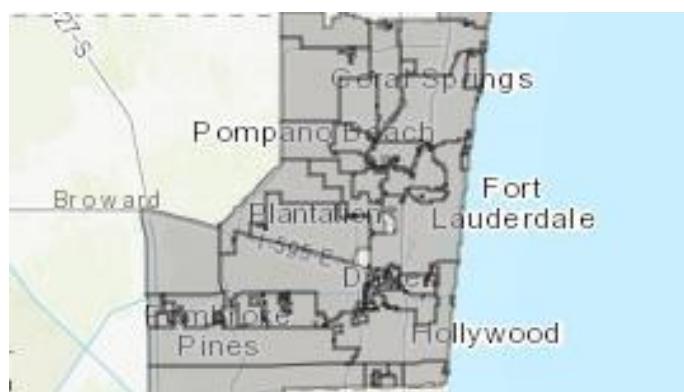

- **Other Map Layers: Jurisdictional Boundaries (For reference)**

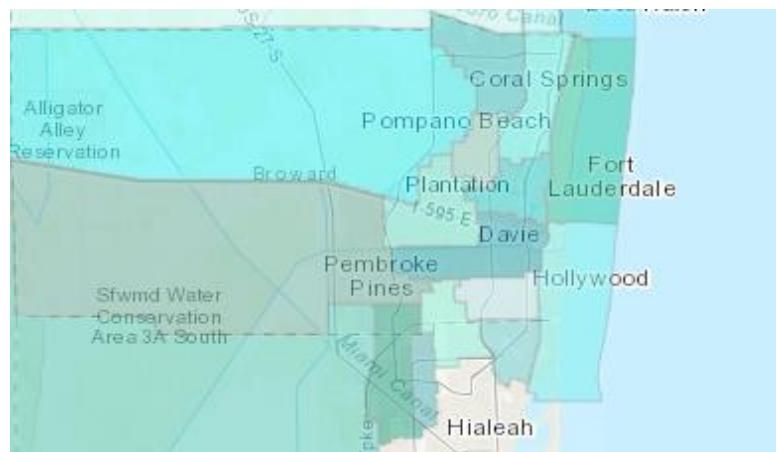

- **County Boundaries**

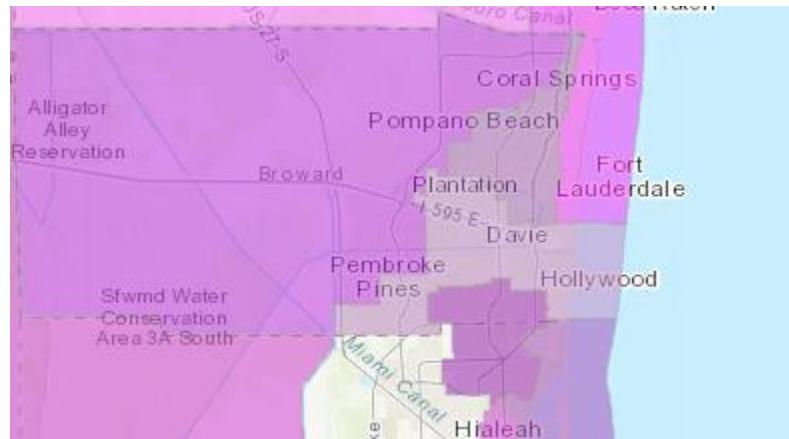

- **City Boundaries**

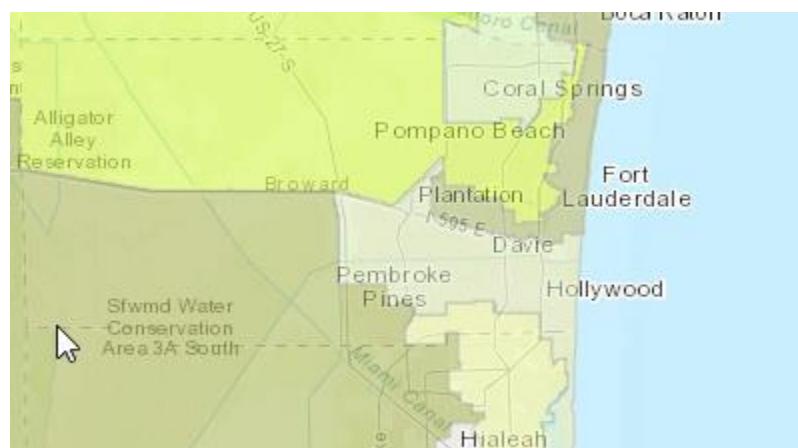

- **Florida House Districts**

- **Florida Senate Districts**

- **US Congressional Districts**

- By default the Design Projects Funded for Construction layer is toggled on when you launch the application.

**Click the link to the right to see additional information of FDOT's [5 Year Work Program](#)**
