Subject: Approval of Florida Electric Vehicle Infrastructure Deployment Plan

Dear Secretary Perdue:

The Federal Highway Administration (FHWA) has completed the review of the Florida Electric Vehicle Infrastructure Deployment Plan required under the National Electric Vehicle Infrastructure (NEVI) Formula Program.<sup>1</sup> Based on the review and the recommendations provided by the Joint Office of Energy and Transportation (Joint Office), FHWA has determined that the Florida Electric Vehicle Infrastructure Deployment Plan is approved for implementation. With this approval, Fiscal Year 2025 funds are now available to Florida for obligation.

The FHWA and the Joint Office will follow up with States on specific opportunities for improvement in future year plans and will continue to provide technical assistance and guidance as States continue implementation.

A publicly accessible version of the Florida Electric Vehicle Infrastructure Deployment Plan should be posted to the Florida Department of Transportation's (DOT) website. This approval letter will be available on the FHWA website at [https://www.fhwa.dot.gov/environment/nevi/ev\\_deployment\\_plans/](https://www.fhwa.dot.gov/environment/nevi/ev_deployment_plans/) along with a link to the State DOT website.

---

<sup>1</sup> The NEVI program is authorized under the Bipartisan Infrastructure Law, enacted as the Infrastructure Investment and Jobs Act (IIJA), (Pub. L. 117-58)

Thank you for putting the United States on a path to a nationwide network of EV chargers that can ensure a convenient, affordable, reliable, and equitable charging experience for all users.

Sincerely,

A handwritten signature in black ink that reads "Emily Biondi". The signature is written in a cursive, flowing style.

Emily Biondi
