

The Florida Department of Transportation (FDOT) invites you to a public hearing for the (study name) Project Development and Environment (PD&E) Study FPID (number).

This hearing is held (to present the preferred alternative and analysis completed to date, as well as to give interested persons an opportunity to express their views concerning the proposed improvements during a 45-day comment period.)

The environmental document, along with other relevant documents, will be available for public viewing from (date: 21 days prior to the first hearing event) to (date: 45 days after Notice of Availability publish date in the Federal Register), (year), at (location), (address) and at the FDOT District Office located at (address). They will also be available on the project webpage.

## Project Location Map

**If you are unable to attend the hearing**, comments can also be provided through the project webpage or by email (project manager email) or mail (FDOT District number, Attn: project manager name, address). While comments about the project are accepted at any time, they must be received or postmarked by (date), to be included in the formal hearing record.
