The Florida Department of Transportation, District (number) has released a Final Environmental Impact Statement (FEIS) for the proposed improvements to (study name) in (location), Florida.

The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried out by the Florida Department of Transportation (FDOT) pursuant to 23 U.S.C. § 327 and a Memorandum of Understanding dated May 26, 2022 and executed by the Federal Highway Administration and FDOT.

The project consists of (brief summary of the project and recommendations). The FEIS will be available for a 30 calendar-day review period effective (date) to (date), at (locations and address).

Persons wishing to submit written statements, may do so by sending them to (FDOT contact name and address) or to (contact email address).

All statements postmarked on or before (date: end of 30-day comment period date) will become a part of the project record.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status.
